ANNUAL TOWN REPORT

**FOR THE TOWN OF
HAVERHILL
NEW HAMPSHIRE**

**FOR THE YEAR ENDING DECEMBER 31,
1992**

EZRA BART MANN, II

THE 1992 TOWN REPORT IS DEDICATED TO THE MEMORY OF EZRA BART MANN, II. BART WAS A LIFELONG RESIDENT OF THE AREA. HE WAS ACTIVE IN STATE AND LOCAL POLITICS, SERVING AS A SELECTMAN FOR 24 YEARS, A WOODSVILLE PRECINCT COMMISSIONER FOR 10 YEARS AND LATER AS MODERATOR FOR WOODSVILLE PRECINCT. HE WAS A GRAFTON COUNTY COMMISSIONER FOR TWO YEARS AND IN THE STATE LEGISLATURE FOR 18 YEARS, 12 OF THEM AS CHAIRMAN OF THE MUNICIPAL & COUNTY GOVERNMENT COMMITTEE. BART WAS A CHURCH DEACON AT ST. LUKE'S EPISCOPAL CHURCH IN WOODSVILLE, WAS CHAIRMAN OF THE WOODSVILLE LIBRARY TRUSTEES, AND WAS A DIRECTOR AND VICE PRESIDENT OF THE NH ELECTRIC COOPERATIVE FOR MANY YEARS. HE WAS ALSO ACTIVE IN THE GRAFTON COUNTY RSVP PROGRAM.

HIS CONTRIBUTIONS TO THE COMMUNITY WERE MANY, AND BART WILL BE SADLY MISSED BY ALL OF US WHO KNEW HIM AND HAD THE PLEASURE OF WORKING WITH HIM THROUGH THE YEARS.

New Hampshire & Vermont town officials share the ribbon during dedication ceremonies held November 2, 1971, to open the new Haverhill-Newbury Bridge across the Connecticut River. Haverhill Selectman Ezra "Bart" Mann (with shears) is shown cutting off souvenir pieces to share with fellow Selectmen from both towns. Standing (l. to r.) were: Richard Kinder, Clark B. Ingalls and Chairman Mann of Haverhill; Raymond Boyce, John Meyette and Chairman Lloyd Rogers of Newbury.

SELECTMEN'S REPORT

the citizens of the Town of Haverhill, I would like to reflect some of the major items that the Board of Selectmen dealt with 1992:

At the beginning of the year the Selectmen signed a deed conveying 29.87 acres from the Town to the Haverhill Cooperative School District for the new Middle School.

Numerous townspeople travelled to Concord to attend a hearing in reference to the continued operation of the Haverhill District Court.

The Selectmen met with the new appraiser, Bruce Bean, to set up guidelines for the cost and performance of his services. Bruce has worked out extremely well and we feel he is doing an excellent job.

The public budget hearing was held in February. We would like to thank all the budget committee members for their participation in the budget process.

The Department of Transportation held an informational public meeting regarding the relocation of the Haverhill-Bath covered bridge.

The second Woodsville Housing Community Development Block Grant was closed out.

Bob Rutherford joined the Board of Selectmen in March. At this time we would like to thank former Selectman Harry Simano for his service as a Selectman to the Town of Haverhill; it was a pleasure to serve with you, Harry.

the year progressed, things ran smoothly and rapidly:

The board signed the certificate of completion for the Haverhill Daycare construction project.

Mildred Page funds were authorized for the purchase and installation of two new gas furnaces in the Haverhill Corner Library.

The Town of Haverhill adopted a driveway permit application.

A meeting was held with officials of the Department of Transportation, NH Fish and Game Department, Haverhill Historical Society, Department of Resources and Economic Development, Executive Councilor Ray Burton, State Representatives Paul LaMott and Doug Teschner, First Congregational Church of Haverhill, Haverhill Selectmen, and concerned citizens in reference to the Bedell Bridge Road. The state agreed to make the necessary repairs and admitted

that they were responsible for the road.

- * Next, the Selectmen had a meeting with the Postmasters, Fire Chiefs, and the Chief of Police in reference to a 911 emergency response telephone line.
- * The Selectmen signed a contract for services with the Woodsville Rescue Ambulance Service for 1992-93.
- * H.P. Cummings Construction Company agreed to assist the Board of Selectmen with an assessment of space needs at the Morrill School at no cost to the taxpayers.
- * Marge Page was appointed to the Planning Board.
- * Howard Hatch presented the Selectmen with a bottle from his new business venture, Hatchland Dairy.
- * The Department of Transportation held a public meeting to address any concerns Haverhill might have. Items brought up at that meeting included the crosswalk in North Haverhill village, the drainage problem off Rte. 10 at the Aldrich property in North Haverhill, the intersection at Butson's in Woodsville [Rte. 302 and Forest Street], the underpass in Woodsville [Rte. 135 and Rte. 302].
- * Sam Clough was appointed as an alternate member to the Zoning Board of Adjustment.
- * The Board of Selectmen sent out letters to all taxpayers whose assessments had changed due to pick-up work done by the town appraiser.
- * Haverhill's auditor reported that the town finished out the year with a surplus of \$148,000 and was in sound financial shape.
- * Terry Alexander joined the Police Department due to the resignation of Officer Chet Page.
- * A 1200 foot strip starting at the north end of the airport runway was approved for chip seal and a manhole was installed. Two signs warning motorists of low-flying aircraft were erected at the ends of the runway.
- * Repairs to the roof of the Haverhill-Bath covered bridge were completed. The cost for these repairs was shared equally by both towns.
- * We investigated different health insurance plans for the town employees.
- * The board requested that Chief George enforce the junk car statute in the Town of Haverhill.

- * Mountain Lakes Commissioners presented their five-year plan to the Board of Selectmen.
- * The board decided to close the Morrill School Building for the winter in order to save on heating costs.
- * Mildred Page Funds were approved for repairs to the Haverhill Corner Parish House in order to comply with the NH State Fire Marshall's inspection.
- * Oland Bylow resigned as Supervisor of the Checklist after serving in that position for nearly thirty years.
- * The Town of Haverhill put Newbury Waste Management on notice that they are looking into other alternatives for solid waste disposal for 1993.
- * A 1983 Chevy dump truck owned by the town was sold for \$4,026.00 to the highest bidder.
- * Richard Guy was elected Chairman of the 1993 Budget Committee.
- * Jim Boucher become one of thirty Roads Scholar Certificate recipients in the State of NH.
- * The town will again be putting out for bid a 40 acre parcel of agricultural land adjacent to the airport.
- * The Board of Selectmen received a price estimate of \$600,000.00 for the repairs to the Haverhill-Bath covered bridge.
- * Selectmen from the towns of Haverhill, Benton and Warren held a joint meeting regarding Glencliff becoming a site for the NH State Prison.
- * Throughout the year we have received numerous animal complaints, which the Animal Control Officers have handled extremely well.

In addressing 1993, I feel the two major issues facing the taxpayers in the Town of Haverhill are a decision on moving the municipal offices to the James Morrill School and the purchase of a new grader. Both of these issues will be addressed by the voters at town meeting.

In closing, I would like to thank Rich and Bob for all their help during 1992, as well as all other town employees in each and every department who continue to be very dedicated, caring professionals. These people try to service the residents of the Town of Haverhill to the best of their ability.

Respectfully submitted,
ERNEST A. TOWNE, CHAIRMAN

HAVERHILL PLANNING BOARD

The Planning Board has completed the revisions to the Master Plan and will be holding a public hearing within the next few months to get public input on the document.

The last step in the preparation of the Master Plan is the citizen survey which was recently mailed out to property owners. This survey is an important planning tool and we hope that you will take the time to respond.

The results of the survey will be tabulated and we will make the results available at Town Meeting.

Respectfully submitted,

Patricia G. Klark, Clerk

Haverhill Economic Coordinating Council

North Haverhill, NH 03774

February 3, 1993

1992 marked a transition year for our group. We began as a blue-ribbon committee appointed by the selectmen and charged with investigating and developing strategy and mechanisms to support and foster economic growth in the area. Through the invaluable efforts of Preston Gilbert of North Country Council interviews and meetings were held, data gathered, opinions heard and a wide-ranging study entitled "A Case for Haverhill" was published. Copies of this study are available at the selectmen's office and I urge all who are interested to borrow a copy and read it.

Acting upon one of the recommendations in the study, the Haverhill Economic Development Committee set about to organize itself into the Haverhill Economic Coordinating Council, a soon-to-be non-profit corporation. A board of directors was appointed and from that board officers were elected. Organizational efforts are ongoing but the council is actively engaged in several projects currently. A council member is serving on an advisory board to work with Berlin Technical College, School for Lifelong Learning and other post-secondary education institutions to coordinate course offerings in an effort to avoid conflicts and oversaturation of the market. On another front the council has worked closely with the Haverhill Cooperative School District to develop a partnership that has been instrumental in bringing new computer technology to the area. Instructional courses in specific word processing, data-base management, and spreadsheet applications as well as introductory-level computer literacy classes will begin this spring. Enrollment fees from these courses will help to offset the cost of the program to the school district. Local employers who are currently training their employees in-house or who are sending employees to Lebanon or Concord for training are currently being solicited for enrollments. The courses are open to the general public as well.

Council members are preparing to implement a business visitation program to develop and strengthen contacts with existing local businesses, while at the same time noting the concerns and problems of these businesses. A membership expansion plan is being developed and will be in operation by mid-year. Contact has been made with the Woodsville-Wells River Merchants Association and a representative from that organization attends council meetings. It is hoped that any individuals or businesses interested in becoming part of our organization would contact a member of the board of directors.

Respectfully submitted,

1993 ANNUAL TOWN MEETING WARRANT
TOWN OF HAVERHILL, NEW HAMPSHIRE

To the inhabitants of the Town of Haverhill, in the County of Grafton, State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Haverhill Middle School in North Haverhill on Tuesday March 9th, 1993 at eight o'clock in the forenoon to act on the following matters. Article One will be decided by written ballot. The polling booths will be open from 8:00 AM to 6:00 PM for voting on Article One. At 6:00 PM the meeting will adjourn to reconvene at 7:30 PM at the Haverhill Middle School in North Haverhill, in said Town of Haverhill for consideration of the remaining articles on this WARRANT:

Article 1: To choose by a non-partisan ballot one Selectman for a term of three [3] years; a Town Clerk for a term of one [1] year; a Tax Collector for a term of one [1] year; a Treasurer for a term of one [1] year; and a Trustee of Trust Funds for a term of three [3] years.

Article 2: Do you favor the establishment of a NH Department of Corrections Medium Security Prison at the present site of the Glenclyff Home for the Elderly?

Article 3: To announce the results of the balloting on Articles one and two.

Article 4: To choose a Cemetery Commissioner for a term of five [5] years; to choose a Library Trustee for a term of three [3] years, and to choose any other necessary town official.

Article 5: To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and other Town Officers and Committees heretofore chosen and pass any vote relating thereto.

Article 6: To see if the Town will vote to authorize the Selectmen to issue interest bearing notes in anticipation of taxes and to provide for the expenses of the current year.

Article 7: To see if the Town will vote to authorize the Selectmen to apply for, receive and expend Federal and State grants, which may become available during the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money.

Article 8: To see if the Town will vote to authorize the Selectmen to sell real estate acquired by the Town through advertising for sealed bids, except that the Selectmen would be empowered, but not required, to make one last offer to the person who was divested of his property and a late redemption would be allowed upon payment of all taxes, costs and interest.

- Article 9: To see if the Town will vote to authorize the Moderator to appoint a Budget Committee to recommend to the next Annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next Annual Report.
- Article 10: To see if the town will vote to make any alterations in the amount of money to be raised and appropriated for the ensuing year for the support of the Town as recommended by the Budget Committee in its report, to raise and appropriate all sums so determined for said purposes, and pass any other vote relating thereto.
- Article 11: To see if the town will vote to raise and appropriate the sum of Seventy Five Thousand Dollars [\$75,000.00] for renovations to the James R. Morrill Elementary School Building for conversion to use as town offices.
- Article 12: To see if the Town will vote to authorize the Selectmen to sell the Municipal Building on Court Street in Woodsville.
- Article 13: To see if the Town will vote to raise and appropriate the sum of Thirty Five Thousand [\$35,000.00] for reconstruction of a section of Brushwood Road.
- Article 14: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars [\$10,000.00] for the support of the Cottage Hospital.
- Article 15: To see if the Town will vote to raise and appropriate the sum of Five Thousand Eight Hundred Ninety Four Dollars [\$5,894.00] for the support of White Mt. Mental Health & Developmental Services.
- Article 16: To see if the Town will vote under the provisions of RSA 231:43 to discontinue the stretch of road leading from Rte. 25 to the former East Haverhill Railroad Station.
- Article 17: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Dollars [\$7,000.00] for repair work on the Jeffers Hill Bridge.
- Article 18: To see if the Town will vote to authorize the withdrawal of the sum of Seventy Five Thousand Dollars [\$75,000.00] from the Vehicle Capital Reserve Fund to be applied to the purchase of a new grader.
- Article 19: To see if the Town will vote to raise and appropriate the sum of One Hundred Thirty Thousand Dollars [\$130,000.00] for the purchase of a new grader, to be paid over a five year period in equal installments of \$11,000.00.

Article 20: To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars [\$1,000.00] to support the Western Grafton County Youth Diversion Program.

Article 21: To see what action the voters of the Town of Haverhill will take in reference to the reclassification from Class V to Class VI [subject to gates and bars] under the provisions of RSA 231:45, the Meadow Road, so-called, in Woodsville from a point one hundred feet from its intersection with Ammonoosuc Street and Highland Street to the end of the public way of said road. [BY PETITION]

Article 22: To see if the town will vote to change the current policy regarding the qualifications to run for town office as follow:

No property taxpayer who is delinquent in his/her property taxes may become a candidate for any town office without first signing a waiver of salary agreement if elected.

Example: I, [name], a resident of the Town of Haverhill, NH hereby declare my candidacy for the office of [all town and school district offices]. I also affirm that I am in arrears \$ [amount] to the tax collector of the town and agree to have my salary for the position I seek applied to that debt, if elected until my property tax bill is paid in full.

The present declaration of candidacy will still be used for any resident voter in the town who is not owing any debt to the town. [BY PETITION]

Article 23: To see if the town will vote to approve the use of an Australian ballot [Official ballot is the term used in pending legislation presently before both branches of the N.H. state legislature] beginning with the Town budget in 1994 when authorization to do so is granted by the legislature and signed into law by the governor later this year. [BY PETITION]

Article 24: To see if the town will vote to mandate all efforts should be made by the town budget committee to hold spending at 1993 spending levels with no more than a 1% annual increase over spending for the previous year. Level spending is the goal.

Example: If the budget needs to increase in one department and that increase will cause the budget to increase more than the allowable 1% over the previous year, a decrease in the budget equal to the increase must be found elsewhere in the budget. [BY PETITION]

Article 25: To see if the town will vote to allow property taxpayers who choose to send their children to private, parochial or N.H. state approved home schooling be allowed to deduct tuition costs from their property taxes if the total family income is less than \$25,000.00 annually. [BY PETITION]

Article 26: To see if the Town will vote to authorize that selectmen hold all non-emergency spending over \$5,000.00 not already authorized by vote of the electorate at the previous town meeting until the next annual town meeting for their approval on the warrant. Also to authorize the Selectmen to hold a special town meeting with appropriate notification in accordance with present law, the earliest possible Saturday if an emergency need arises over \$5,000.00 for approval by the electorate in attendance. [BY PETITION]

Article 27: To see if the Town will vote to authorize the town tax collector to publish the names and addresses of all property owners in arrears of their property taxes and the amount owed the town as of February 1st each year in the annual town report. [BY PETITION]

Article 28: To see if the Town will vote to change the usual day and time of the annual town meeting from the second Tuesday evening in March to the second Saturday in March from 8:00 AM - 5:00 PM [if necessary] with a one hour lunch break around noon to be decided by the moderator or a majority vote of those in attendance. [BY PETITION]

Article 29: To take any other action that may legally come before this meeting.

Given under our hands and seals this 8th day of February, 1993.

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Haverhill, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Haverhill, New Hampshire, as of December 31, 1991 and for the year then ended, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town of Haverhill's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, issued by the Comptroller General of the United States, and the provisions of Office of Management and Budget Circular A-128, "Audits of State and Local Governments". Those standards and OMB Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 1, the general purpose financial statements referred to above do not include the financial statements of the General Fixed Asset Account Group which should be included to conform with generally accepted accounting principles. The amount that should be included in the General Fixed Asset Account Group is not known.

As described in Note 2, the Town has recognized tax revenues of \$65,199 in the General Fund and \$555,747 in the Property Tax Agency Fund which were not received in cash within sixty days of year end as is required by generally accepted accounting principles (GASB Interpretation 3). Town officials believe, and we concur, that the application of this accounting principle, which would result in a decrease in the General Fund balance to (\$464,199), would give a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the effect on the financial statements of the omission described in the third paragraph, the general purpose financial statements referred to above present fairly in all material respects the financial position of the Town of Haverhill, New Hampshire as of December 31, 1991 and the results of operations and cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Haverhill, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS
December 31, 1991

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Haverhill, New Hampshire conform to generally accepted accounting principles for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies:

Financial Reporting Entity

The Town of Haverhill, New Hampshire (the "Town") was incorporated in 1763. The Town operates under a Town Meeting/Board of Selectmen form of government and performs local governmental functions authorized by State law.

The accompanying financial statements of the Town present the financial position of the various fund types and account groups, the results of operations of the various fund types, and the statement of cash flows for the non-expendable trust funds.

The financial statements include those of the various departments governed by the Board of Selectmen and other elected officials with financial responsibility. The Town has no organizational units which meet criteria for inclusion in the financial statements as defined by the Governmental Accounting Standards Board.

Fund Accounting

The accounts of the Town are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balances, revenues, and expenditures/expenses. Accordingly, interfund receivables and payables have not been eliminated. The various funds are summarized by type in the financial statements. Individual funds and account groups summarized in the financial statements are classified as follows:

Governmental Funds

Governmental Funds are those through which most governmental functions of the Town are financed. The acquisition, use and balances of the Town's expendable financial resources and the related liabilities are accounted for through governmental funds.

General Fund - The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for specific restricted revenues and expenditures. Haverhill Cemetery Association, Mildred W. Page Fund, Conservation Fund and Community Development Block Grants are accounted for as Special Revenue Funds.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1991

NOTE 1-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fiduciary Funds

Assets are held by the Town in a fiduciary capacity or as an agent for individuals, private organizations, and other governmental units, and/or other funds for various purposes and taxes collected for other governmental units. Receipts and expenditures are governed by statutes, local law, or terms of the gift.

Trust Funds - Trust Funds include expendable and non-expendable funds. Non-expendable funds are accounted for and reported as proprietary funds, since capital maintenance is critical. Expendable trust funds (Capital Reserve Funds) are accounted for in essentially the same manner as governmental funds.

Agency Funds - The Town collects taxes for Haverhill Cooperative School District, Grafton County, and Woodsville, Haverhill Corner, North Haverhill, and Mountain Lakes Precincts, which are remitted to them as required by law. These funds are accounted for as agency funds.

Account Groups

Account groups are not funds; they do not reflect available financial resources and related liabilities, but are accounting records of general fixed assets and general long-term obligations, respectively. The following is a description of the account groups of the Town.

General Fixed Asset Account Group - The Town does not record the acquisition of fixed assets in the General Fixed Asset Account Group, as required by generally accepted accounting principles. Fixed assets acquired or constructed for general government services are recorded as expenditures in the fund making the expenditures. Funds used to acquire fixed assets and/or debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made.

Total Columns on Combined Financial Statements

Total columns for 1991 and 1990 on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or cash flows in conformity with generally accepted accounting principles.

Basis of Accounting

The accrual basis of accounting is used for the non-expendable trust funds. The measurement focus of these funds is determination of net income, financial position, and cash flows ("capital maintenance" focus).

The modified accrual basis of accounting is followed by the governmental funds. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred, if measurable.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1991

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of revenues. In one, monies must be expended on the specific purpose or project before any amounts will be paid to the Town, therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria are met.

Licenses and permits, charges for services, and miscellaneous revenues (except investment earnings) are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded as earned, since they are measurable and available. (See Note 2 for property tax accrual policy.)

During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services, construct assets, and service debt. The accompanying governmental and fiduciary funds financial statements reflect such transactions as transfers.

Statement of Cash Flows

Cash for statement of cash flows purposes is demand deposits.

NOTE 2--PROPERTY TAXES

The Town's property taxes, due semi-annually on July 15th and December 30, 1991, are levied based on the assessed value as of the prior April 1st (\$98,269,800 as of April 1, 1991) for all taxable real property. Taxes paid after the due dates accrue interest at 12% per annum. Current tax collections were 81% of the tax levy.

Under State law, the Tax Collector obtains tax liens on properties for which taxes remain unpaid in the following year after the taxes are due, for the amount of unpaid taxes, interest and costs. These priority tax liens accrue interest at 18% per annum. If the lien is not redeemed within a two year redemption period, the property is tax deeded to the Town.

The Town has accrued taxes of \$65,199 in the General Fund and \$555,747 in the Property Tax Fund, which do not meet the susceptible to accrual criteria of generally accepted accounting principles (GASB Interpretation 3). The net effect of not recognizing the taxes receivables would result in a reduction of General Fund balance from \$156,747 to (\$464,199). This would give the user of these financial statements a misleading impression of the Town's ability to meet its current and future obligations.

Under existing state laws, the Town will either receive full payment or acquire legal ownership of property in lieu of payment in 1994. Prior history indicates that a substantial portion of overdue taxes are paid before this date.

Taxes receivable is shown net of an allowance for estimated uncollectible taxes in the amount of \$4,023.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1991

NOTE 3--TAX DEEDED PROPERTY

The Town has acquired several tracts of land over the years for non-payment of real estate taxes through deeds issued by the Tax Collector. The Town does not record these assets acquired on its financial statements.

The Town may either offer these properties to the original owner for the amount of unpaid taxes or auction them to the highest bidder.

NOTE 4--BUDGET

The Town budget represents departmental appropriations as authorized by annual or special Town meetings. The Selectmen may transfer funds between operating categories as they deem necessary. The Town adopts its budget under regulations of the New Hampshire Department of Revenue Administration which differ somewhat from generally accepted accounting principles. The budget presented for reporting purposes has been reclassified as follows:

Total per Town meeting	\$1,187,750
Add (Deduct):	
Overlay	39,791
Timing Differences:	
Continued appropriations,	53,574
December 31, 1990	(8,617)
December 31, 1991	
Total Budget - Exhibit C	<u>\$1,272,498</u>

The Town does not budget for expenditures of the Cemetery Association Fund and Mildred W. Page Fund. Budgets for the Community Development Block Grant Funds are adopted and maintained on the basis of grant conditions. Consequently, the accompanying general purpose financial statements present budget and actual data only for the General Fund.

State law requires balanced budgets but permits the use of beginning fund balance to reduce the property tax rate. For the year ended December 31, 1991, the Town applied \$100,465 of its 1990 undesignated fund balance to reduce the taxes.

NOTE 5--CASH AND INVESTMENTS

The Town's investment policy for Governmental Fund Types requires that deposits and investments be made in New Hampshire based financial institutions that are insured participants in federal insurance programs. The Town limits its deposits to money market investment accounts in accordance with New Hampshire State law (RSA 41:29). At year end, the carrying amount of the Town's deposits was \$1,172,531 and the bank balance was \$960,942. Of the bank balance, \$115,390 was covered by federal depository insurance and \$845,552 was uninsured and uncollateralized.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)

NOTE 5--CASH AND INVESTMENTS (CONTINUED)

Investments outstanding at year end are owned entirely by the Trust Funds and are invested at the discretion of the Board of Trustees, who have employed professional banking assistance in accordance with New Hampshire state law (RSA 31:19). Investments are classified by credit risk as uninsured and uncollateralized for which securities are held by the financial institution's trust department in the Town's name. At year end, the carrying amounts and market values are as follows:

<u>Investment</u>	<u>Carrying</u> <u>Amount</u>	<u>Market</u> <u>Value</u>

NOTE 8--DESIGNATED FOR FUTURE YEARS' EXPENDITURES

Continuing Appropriations

Appropriations for certain projects and specific items not fully expended at year end are carried forward as continuing appropriations to the next year, in which they supplement the appropriations of that year. At year end, continuing appropriations are reported as a component of fund balance and are detailed as follows:

General Fund:	
Brushwood Road	\$2,755
Lummoxville Road	2,246
Solid Waste/Recycling	1,616
Master Plan	2,000
	<u>\$8,617</u>

NOTE 9--EXPENDABLE TRUST FUNDS

Designated fund balances at December 31, 1991 are as follows:

Expendable Trust Funds:	
Capital Reserve:	
Haverhill Cooperative School District	\$2,940
Town of Haverhill	75,230
	<u>\$78,170</u>

Principal and income of expendable trust funds may only be expended for their restricted purposes, and must be paid over to the District and Town upon request.

NOTE 10--MILDRED W. PAGE SPECIAL REVENUE FUND

The Town receives a portion of the trust net income from the Mildred W. Page Estate Trust which is designated by the trust instrument to be used for maintenance and improvement of public buildings within the precinct of Haverhill Corners. Disbursement of the funds is authorized by the Board of Selectmen.

NOTE 11--PENSION PLAN

The Town participates in the New Hampshire Retirement System, which is a multi-employer defined benefit pension plan. The system covers substantially all full-time permanent employees. The Plan, which is a cost sharing, multiple-employer Public Employee Retirement System (PERS), is divided into two membership groups. Group I consists of non-public safety employees. Group II consists of public safety officers. It requires that both the Town and employees contribute to the plan and provide retirement, disability and death benefits.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
December 31, 1991

NOTE 11--PENSION PLAN (CONTINUED)

Group I - Members contributing through age 60 qualify for normal service retirement allowance based on years of creditable service. The yearly pension amount is 1/60 (1.67%) of average final compensation (AFC) multiplied by the years of creditable service. AFC is defined as the average of the three highest salary years. At age 65 the yearly pension amount is recalculated at 1/66 (1.5%) of AFC multiplied by the years of creditable service. Members in service with 10 or more years creditable service who are between age 50 and 60 are entitled to a retirement allowance with appropriate graduated reduction based on years of creditable service.

Group II - After attaining the age of 45, members with 20 years of creditable service qualify to receive a retirement allowance at a rate of 2.5% of AFC for each year of creditable service, not to exceed 40 years. Members in service at age 60 qualify to receive a prorated retirement allowance.

Members of both groups are entitled to disability allowances and also death benefit allowances subject to various requirements and rates based on AFC or earnable compensation. The State of New Hampshire funds 35% of employer costs for public safety officers employed by the Town (Group II). The State does not participate in funding the employer cost of other Town employees (Group I).

The Town's current year covered wages were \$162,424, 46% of total wages of \$353,846. Employee contributions were \$12,658. Employee contribution rates were 9.3% and 5% for public safety and general employees respectively. The Town's contribution to this plan was \$7,763. Town contribution rates for public safety and general employees were 6.82% and 2.2% respectively from January through June and 5.36% and 2.51% thereafter.

The amount of total pension benefit obligation is based on a standardized measurement established by GASB Statement 5, *Disclosure of Pension Information by Public Employee Retirement Systems and Local Governmental Employers* that must be used by a PERS. The standardized measurement is the actuarial present value of creditable projected benefits. This pension valuation method reflects the present value of estimated pension benefits that will be paid in future years as a result of employee services performed to date, and is adjusted for the effects of projected salary increases. A standardized measure of the pension benefit obligation that was adopted by the GASB to enable readers to (a) assess the PERS funding status on a going-concern basis, (b) assess progress made in accumulating sufficient assets to pay benefits when due, and (c) make comparisons among other PERS and among other employers.

The Plan's total benefit obligation and net assets available for pension benefits as of June 30, 1990 are as follows (in millions) (The Town's portion of these amounts is not determinable):

Total pension benefit obligation	\$1,559
Net assets available for pension benefits, at market value	<u>1,356</u>
	<u>\$203</u>

TOWN OF HAVERHILL, NEW HAMPSHIRE

NOTE 11--PENSION PLAN (CONTINUED)

The measurement of the total pension benefit obligation is based on the June 30, 1990 actuarial forecast valuation, updated from the June 30, 1989 actuarial valuation. The June 30, 1989 valuation included several changes relative to the Plan and to the actuarial assumptions. The post-retirement mortality, withdrawal and vesting rates, service retirement rates and disability retirement rates were all revised to better reflect actual experience of the Plan. These Plan and actuarial assumption changes resulted in an aggregate increase in the Plan's total pension benefit obligation of approximately \$600 million. The normal contribution rate for Group I employees is projected to increase to 6.94 % as of July 1, 1992.

NOTE 12--SICK LEAVE

Employees may accumulate up to 30 days of sick leave, but are not entitled to a lump sum cash payment. The Town does not record the cost of sick leave when earned, however, the estimated cost for replacement of sick employees is included in the departmental budget. The estimated value of accumulated sick leave at December 31, 1991 is not determinable.

NOTE 13--COMMUNITY DEVELOPMENT BLOCK GRANT

During 1987, the Town applied for and received a Community Development Block Grant in the amount of \$300,000 for the purpose of housing rehabilitation for targeted areas of Woodsville for a period of eighteen months. The project was closed out March 4, 1991 with a total of \$294,290 drawn down and expended for grant expenses.

During 1989, the Town applied for and received a Community Development Block Grant in the amount of \$350,000 for targeted areas of Woodsville for a period of two years. As of December 31, 1991 the Town had drawn down \$337,489 of the grant amount and expended \$349,494 for grant expenses. The project was closed out March 2, 1992.

During 1990, the Town applied for and received a Community Development Block Grant in the amount of \$350,000 for the purposes of acquiring and rehabilitating a facility to house the Haverhill Community Day Care Center. As of December 31, 1991, the Town had drawn down \$299,694 of the grant amount and expended \$299,175 for grant expenses.

During 1990, the Town applied for and received a Community Development Block Grant in the amount of \$10,000 to conduct a Haverhill Day Care feasibility study. The project was closed out February 4, 1991 with a total of \$6,438 drawn down and expended for grant expenses.

NOTE 14--COMMITMENTS AND CONTINGENCIES

Litigation

Town officials estimate that any potential claims against the Town which are not covered by insurance are immaterial and would not affect the financial position of the Town.

NOTE 14--COMMITMENTS AND CONTINGENCIES (CONTINUED)

Other Contingencies

The Town participates in federally assisted grant programs. These programs are subject to financial and compliance audits by the grantors or their representatives. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time, although the Town expects amounts, if any to be immaterial.

NOTE 15--SUBSEQUENT EVENT

Subsequent to year end, the Town issued a Tax Anticipation Note for \$100,000 with an interest rate of 6% and a maturity date of March 18, 1992.

INDEPENDENT AUDITOR'S REPORT ON SCHEDULE OF FEDERAL FINANCIAL ASSISTANCE

To the Board of Selectmen
Town of Haverhill, New Hampshire

We have audited the general purpose financial statements of the Town of Haverhill, New Hampshire for the year ended December 31, 1991, and have issued our report thereon dated April 22, 1992. These general purpose financial statements are the responsibility of the Town of Haverhill, New Hampshire's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, issued by the Comptroller General of the United States, and the provisions of Office of Management Budget Circular A-128, "Audits of State and Local Governments". Those standards and OMB Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Haverhill, New Hampshire taken as a whole. The accompanying schedule of federal financial assistance is presented for the purpose of additional analysis and is not a required part of the general purpose financial statements. The information in that schedule has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

TOWN OF HAVERHILL, NEW HAMPSHIRE
NOTES TO SCHEDULE OF FEDERAL FINANCIAL ASSISTANCE
December 31, 1991

NOTE 1--GENERAL

The accompanying Schedule of Federal Financial Assistance presents the activity of all federal financial assistance programs of the Town of Haverhill, New Hampshire (the "Town"). The Town's reporting entity is defined in Note 1 of the Town's general purpose financial statements. All federal financial assistance was passed through State of New Hampshire agencies and is included on the schedule.

NOTE 2--BASIS OF ACCOUNTING

The accompanying Schedule of Federal Financial Assistance is presented using the modified accrual basis of accounting, which is described in Note 1 of the Town's general purpose financial statements.

NOTE 3--RELATIONSHIP TO GENERAL PURPOSE FINANCIAL STATEMENTS

Federal financial assistance revenues are reported in the Town's general purpose financial statements as intergovernmental revenues of the Community Development Block Grant Special Revenue Fund.

Veteran's Day Parade participants marching through downtown Woodsville.

From left to right, Chief Walter George, Barry MacDonald, Jeff Williams, Sgt. Ed Savoy, Ron Fournier, Bernie Marvin modeling call out jackets which were purchased by the officers.

1992 saw our National Economy hit bottom and begin to recover at last. With this recovery has come many sweeping changes in our business community. Many time-proven practices have been re-thought to enable companies to survive and to be competitive. These changes were inevitable in order for them to survive into the next decade. As a result, we are seeing a marked improvement in the quality of American made products. Our country has reaffirmed itself as THE global leader and protector with a minimum loss of human life.

Just as businesses are making changes to meet the challenges of the future, law enforcement is also constantly making changes to stay current with the future needs of the communities we serve. I was reminded of that commitment at a recent dedication ceremony at the State of New Hampshire's Police Standards and Training Facility. I toured the new addition to the facility and listened to distinguished speakers remind those present that it is our duty to be the best law enforcement officers we can be, which can only be done through quality training.

The time has long since passed when just any person can be hired as a Police Officer, given a gun and a badge, then told to go out and serve and protect. Today's law enforcement officer goes through a selection process which may include interviews before an oral board, physical and even psychological testing. Once that person has been selected, it is required by law that the person attend the ten week academy at Police Standards and Training to become certified as a full-time officer. This person must meet minimum physical standards before acceptance into the academy is allowed. During the ten weeks of training, the recruit has to meet physical and academic standards which is tested on a weekly basis. If the recruit successfully completes the training, he/she is now certified to have met the BASIC requirements to become a full-time law enforcement officer.

Training then continues for every officer after completing the Recruit Academy. Training which is necessary to provide the services that are needed in every community, from running the Doppler Radar in the cruiser to the Intoxilizer 5000 which tests breath alcohol levels in suspected drunk drivers. Basic Prosecutor, First Line Supervision, Interview and Interrogations, Technical Accident Reconstruction, Basic fingerprint, Collection and Preservation of Evidence is just a sampling of the many courses available to law enforcement officers. By law, each officer is required to receive eight hours of continuing education to maintain his/her certification, which does NOT include the mandatory firearms training which must be completed annually. Firearm training includes both classroom and practical applications.

to be when he

My point to all this is simple. In order to reduce the civil liability incurred by this Department, I must make sure that all of the officers that serve you on a daily basis are properly trained and meet those minimum standards set by the Legislature. State and Federal Supreme Courts hand down decisions which in turn guide how law enforcement officers are to perform their duty. One such decision mandated how officers were trained on the use of firearms. In Delaware an officer was involved in a justifiable shooting. The officer was trained how to use his firearm, however he practiced with .38 special ammunition. While on duty, he was issued .357 ammunition. The Supreme Court decision regarding this incident required law enforcement officers to be trained with the ammunition they use while on duty. For those departments that were trying to save money by using the less expensive ammunition have now had to purchase the other, more expensive ammunition, for qualifying at the range. It also required officers to be trained in night-time firearm use and how to shoot at moving targets.

Maintaining and training a quality Police Department has become an expense which we can not exist without. Officers receive two weeks of paid training which usually takes place at the Police Standards and Training facility in Concord. There is other training which takes place on a monthly basis at the Haverhill Police Department for which the officers do not get paid for, which also includes 10 hours of classroom training on the use of their firearms. There are also numerous firing exercises that take place at the range which they donate their time for.

Marion Stapelfeld (left) and her replacement Angela O'Shana (right). Marion has been with us for two years and has done a great job, she will be greatly missed. We wish she only the best!

These officers, once properly trained, become assets to the Department and to the Town. It is important to keep trained personnel for a number of reasons. The obvious reason is the expense of training. Another fact to consider is that Haverhill is a small community which requires its officers to perform many different duties. These officers work by themselves and have to make important decisions on a daily basis. In other larger communities, there are supervisors which patrol along with the officers and are available to make those decisions for them. Haverhill Police Department trains its officers to make some of these decisions on their own, if necessary. In order to train these officers, an officer has to become trained to be an instructor. That Training Officer becomes liable for the training that is provided to his/her fellow officers. A training officer needs six hours of preparation for every hour of class lecture. While all of this seems to be quite an expense, it is necessary to train an officer to be an instructor so that training is provided to all of the other full and part-time officers.

Those officers, both full and part-time, are professionals at their trade and need to be recognized and respected as such. Each officer becomes a part of the community, meeting and getting to know as many of you that they can. Although most of the people we deal with are either victims of a crime, an accident or have been arrested, all are given one hundred percent. It is not cost effective to train these officers and have them receive the experience, only to lose them to another department. Officers from Haverhill have become assets to other departments because of their individual ability to perform many aspects of the job. Training they received in Haverhill makes them a valuable commodity to other, larger departments. As we have found with our schools, the education our children receive is only as good as the teachers and facility they have to work with. As your Chief of Police, I would ask you to sincerely consider the needs of the Police Department at Town Meeting this year.

The Town of Haverhill's Police Department is cramped into two rooms on the first floor of the Town Office Building. This condition is seriously inadequate to properly function in. We lack the physical space to work, maintain a level of confidentiality and those items necessary to do the work with. The morale of the Department rose with talk of moving the Town Offices to a new site, being the James R. Morrill School Building. When this did not happen, we were disappointed to say the least. The Department as a whole can not tolerate the deplorable conditions that exist. It has already caused our overworked, underpaid secretary to experience "burnout" which forced her to resign. The conditions we have to work in create a great deal of stress on all of us. This year at Town Meeting you will have to decide whether to remodel an existing building or construct a new Town Office Building. I ask you to keep our needs in mind and make a decision as soon as possible.

1992 saw an increase in reported Burglaries from 23 in 1991 to 57 in 1992. Thefts rose from 45 in 1991 to 110 in 1992. This increase is common throughout the area and we have not seen the increases some of our surrounding communities have. We have seen a number of large burglaries in surrounding towns that have not occurred in Haverhill. I firmly believe that this is mainly due to the fact we maintain a full-time law enforcement agency which is well trained as a pro-active Police Department.

The D.A.R.E. Program continues to be a success under the direction of Officer Barry MacDonald. Barry is bringing this program to many of the surrounding schools and has received assistance through local donations and Grant money. This funds a part-time officer to cover his shifts and also provides materials for the D.A.R.E. kids.

This year's program kicked off in January and will culminate in May. The D.A.R.E. Program needs your support each year to survive. No money is raised through taxes to pay for this program. This program still needs your support through donations. I commend Barry for his work with this program. I would also commend Sgt. Edward Savoy, Jeffery Williams, Terry Alexander, Marion as well as all of the Part-time Officers that make up the Haverhill Police Department team.

I would ask for your continued support in the coming year. I reaffirm my commitment and that of the Haverhill Police Department to providing the best Law Enforcement and Police services possible in the year ahead. Thank you for your support.

Walter Ray George
Chief of Police

DEAN MEMORIAL AIRPORT

The Dean Memorial Airport saw a small increase in air traffic over last years count, mostly during the summer. The number of local visitors to the airport has more than tripled, as people have noticed the strip when visiting the new school. With all this interest, we are sure to see an increase in flight training and scenic rides of the area.

Some of the activities at the airport this year were three student pilots earning their solo certificates, a visit by the State Civil Air Patrol, local aerial photos and some radio controlled aircraft. One helicopter pilot even assisted local police locate two escaped prisoners from the county jail.

The airstrip received a long awaited, fresh coating of pavement on the North half this year, with plans to finish the Southern half next year. The remainder of the drainage work on the Northeast side of the airstrip was completed, as well as the removal of brush on the Northwest side. Haverhill has been very fortunate, over the last few years, to receive state funding to help fund these projects.

Roland McKean again kept the grass cut and the weeds trimmed, doing his usual fantastic job. Thanks Roland!

In closing, I would again, invite you all to visit the airport. There is always something of interest going on and it makes the perfect place for a picnic. You might even find yourself taking a ride before you know it.

Respectfully submitted,

James Fortier, Airport Manager

RESPECTFULLY SUBMITTED,

Grafton County has continued to operate in a financially sound, cost effective manner. We are pleased that the \$13.5 million budget adopted in late June showed a modest 3.45% increase.

While the county property tax increased to \$6.1 million after two years of decreases, the average annual county tax increase since 1989 has been less than 3%. Under state law, \$3.5 million or 58% of the county tax dollars collected from Grafton County taxpayers in 1992 were sent to Concord to pay the county share of state assistance programs (Old Age Assistance, Aid to the Disabled, Medicaid/Nursing Assistance, and Services for Children & Youth).

The Grafton County Nursing Home has continued to offer high quality medical, nursing, and support services to approximately 120 elderly and infirm residents while meeting the stricter federal Medicaid mandates imposed in 1991. The Special Needs Unit for individuals with Alzheimers Disease and similar illnesses, opened last year, has been especially well received by residents, families and staff. During 1993 the County plans to expand the unit from 11 to 32 beds.

The County Department of Corrections saw a 15% increase in inmates over the past year. Drug forfeiture funds from the Attorney General's Office have enabled the department to increase and coordinate drug and alcohol abuse reduction programs with the goal of decreasing the number of repeat offenders.

Again during 1992 the County Farm generated a modest operating surplus, providing work opportunities for County Corrections inmates and supplying meat and vegetables for the Nursing Home and Jail. For the second year the Farm also produced potatoes for the local food pantries throughout the County.

The Commissioners, Sheriff and Assistant Sheriff implemented the second phase of a 3-year plan to ensure that subscribers pay the full cost of telephone answering services provided by the County Dispatch Center. The County also replaced the radio repeater on Cannon Mountain in order to upgrade law enforcement communications throughout Grafton County.

During 1992 the County distributed over \$78,836.00 in state Incentive Funds to local programs that prevent out-of-home placements of troubled children and youth. The County has also continued to provide Youth and Family mediation services available free-of-charge in Lebanon, Littleton and Plymouth areas.

Looking ahead to the late 1990's and beyond, the Commissioners initiated Long Range Planning as part of the annual budget process. A committee of county officials has been charged with recommending plans for addressing the needs of the county and state offices now housed at the Courthouse.

The County sponsored a Community Development Block Grant for the AHEAD Agency in Littleton, a non-profit housing development organization. Funds are being used to purchase and rehabilitate multifamily rental housing units for the benefit of low- and moderate-income households in the northern part of Grafton County.

During 1992 the Commissioners continued efforts to inform county residents about county government, encouraging tours of county facilities and holding information sessions for local officials and other groups.

The Grafton County Board of Commissioners hold regular weekly meetings on Tuesdays (note the change from Thursdays) at 9:00 a.m. at the Administration Building on Route 10 in North Haverhill. All meetings are open to the public, and we encourage attendance by public and the press. Please call the Commissioners' Office at 787-6941 for further information or to request a speaker or our slide show on county government for school and civic groups.

In closing we wish to express our sincere appreciation to local officials, agencies and the public for cooperating in our efforts to serve the citizens of Grafton County.

Respectfully Submitted,

GRAFTON COUNTY COMMISSIONERS:

Betty Jo Taffe, Chairman
Gerard J. Zellier, Vice Chairman
Raymond S. Burton, Clerk

NORTH COUNTRY COUNCIL 1992 REPORT

North Country Council is the Regional Planning Commission and economic development district for 51 towns in northern New Hampshire. It is supported by local community and county dues which are used to match state and federal funding sources.

Local planning assistance provided to member towns this past year included: municipal planning, transportation planning, business and industrial planning, landscape architecture, solid waste planning, resource management, and GIS mapping. The Council provided professional assistance to Planning Boards, Boards of Selectmen, Zoning Boards of Adjustment, Conservation Commissions, Solid Waste Districts, Local Development Corporations, Non-Profit Community Organizations, Chambers of Commerce, Educational Institutions and Social Service Organizations and Agencies in all of our member towns.

During 1992 North Country Council also continued its commitment to regional planning as follows: completed the North Country's first ISTEA Transportation Plan and Transportation Improvement Program; completed a new regional economic development strategy; developed economic strategic plans with local development groups; expanded the Working Capital micro-lending program throughout the region; provided technical assistance to communities on major infrastructure projects; completed a regional wood products marketing plan; participated in the development of a statewide telecommunications network; conducted an impact assessment of new banking regulations on the businesses in the North Country; provided solid waste and recycling technical assistance to towns, schools and solid waste districts; and continued our public education initiative on forest lands issues in Coos County. All the above major activities occurred at the same time as the Council provided daily planning and development technical assistance to our members.

In the ensuing year the Council will continue its commitment to local membership services and regional problem resolution.

Persons from member towns interested in becoming involved with the Council are urged to contact their selectmen for appointment as Council representatives or committee members.

Sincerely,

Preston S. Gilbert
Executive Director

REPORT TO THE PEOPLE OF COUNCIL DISTRICT ONE

The five member NH Executive Council has its Constitutional authority in Articles 60 through 66 in the New Hampshire Constitution. Through the many Legislative Sessions much of New Hampshire law includes the Council in major decisions that are made by the Governor and top Executive Branch Officials.

Acting similar to a Board of Directors of a corporation, the Council by law is called to act upon requests from the many executive branch departments and divisions. These requests are reviewed prior to Governor and Council consideration by the Attorney General's Office and the Commissioner of Administrative Services to be legally correct and that proper funds are available. Generally all contracts with outside state government agencies and individuals must be approved by the Governor with the advice and consent of the Council. This brings to the very top of your Executive Branch an elected voice from your area.

The entire Judicial Branch of NH State Government is nominated by the Governor and confirmed by the Council. This is a very serious and key function of the Council. Judges are seated until their 70th birthday!

The five member Council by law is now part of the Ten Year Highway Plan for New Hampshire and must by law hold hearings to gain citizen input and information on changes in the highway and bridge system of New Hampshire. Our report is due to the Commissioner of Transportation, by June 1, 1993.

The Council also plays a key role in assisting citizens, agencies, towns, cities and businesses in their relationship with New Hampshire State Government. A Councilor is only a phone call away and stands ready to assist in this ombudsman role.

As Councilor for your Town and area, I stand ready to be of service.

North Country Home Health Agency, Inc. 1992 Report of Services

The North Country Home Health Agency, Inc. is a not-for profit Home Care Agency providing home health care and health promotion services to residents of Bath, Benton, Bethlehem, Carroll, Easton, Franconia, Haverhill, Landaff, Lincoln, Lisbon, Littleton, Lyman, Monroe, Randolph, Sugar Hill, Woodstock and additional towns in northern Grafton and southern Coos Counties. In April, 1992 the Agency welcomed the staff and clients of the Gorham District Nurse Association to the Agency's family of care. The Gorham District Nurse Association was formerly a town administered and funded program. The addition of the Gorham District Nurse Association service area means that residents of 22 North Country communities now have access to Agency programs and services. During 1992 Agency staff provided 23,136 home care visits to more than 560 area residents. This represents an increase of 48% over the number of home care visits provided in 1991 and a 97% increase in home care services since 1989. The reason for the increased utilization of home health care programs continue to be the aging of our population; decreased length of hospital stays and personal and family preference to be cared for at home. It is expected that double digit increases in home care services will continue for several more years.

The Agency continues to work to attract State and Federal funding for local programs and services. In 1992 \$261,645 in State and Federal grants were obtained for the provision of direct home care services in area communities.

In the Town of Haverhill, 125 clients received the following services:

Service	Number of Visits
Nursing	1088
Home Health Aide	2700
Homemaker	539
Physical Therapy	671
Occupational Therapy	32
Speech Therapy	91
Medical Social Service	58
Parent Aide	72
Adult-in-Home Care (Hours)	2774

We express our sincere appreciation to the members of the community, clients, their families and our staff for their participation in Agency programs and look forward to serving you in the future.

GRAFTON COUNTY SENIOR CITIZENS COUNCIL 1992 ANNUAL REPORT

Grafton County Senior Citizens Council, Inc. provides services to older residents of Haverhill. These services include home delivered meals, a senior dining room program, transportation, adult day care, outreach and social work services, health screening and education, recreation, information and referral, as well as opportunities for older individuals to be of services to their communities through volunteering.

Any Haverhill resident over the age of 60 or members of his/her family are eligible to use the services of GCSCC. Handicapped individuals under the age of 60 may also be served through these programs. Although there are no charges for the services, the Agency does request contributions toward the cost of services.

During 1992, 331 older Haverhill residents were served through all of GCSCC's programs. 293 individuals enjoyed dinners at the Woodsville Area Senior Services or received hot meals delivered to their homes: 74 elders used transportation services on 3,529 occasions to travel to medical appointments, to grocery stores, to do personal errands or to the Senior Center. 43 Haverhill volunteers contributed 3,536 hours of time, energy and talent to support the operation of the Agency's services. 45 others participated in recreational and educational programs or used our information and referral service: 27 older people used the services of our social workers. Services for Haverhill residents were instrumental in supporting many of these individuals as they attempted to remain in their own homes and out of institutional care despite physical frailties.

Working closely with other agencies, providing services to older people in the community, our goals for the future include additional efforts to assist older Haverhill residents and their families in taking advantage of available programs and services which will improve the quality of their lives and enable them to remain independent in their own community.

Through the years, GCSCC has very much appreciated the support of the Haverhill community for services which enhance the independence of older residents of Haverhill. This support is much more critical at a time of Federal and State funding constraints.

Respectfully submitted,

Carol W. Dustin, ASCW
Executive Director

HOSPICE OF THE UPPER VALLEY, INC. 1992 NARRATIVE REPORT

Hospice of the Upper Valley, Inc. (HUV) is a voluntary, community-based human service organization which addresses issues of life-threatening illness, death and bereavement. Our emphasis is on caring, we encourage ourselves and others to attend to the wholeness of each person and to affirm as well as support one another- caregivers and clients alike- in the spirit of love. Services include: direct patient/family care; volunteer, professional and community education; patient/family advocacy, case management, and influence in the development of public policy. The work of volunteers in the delivery of patient/family care is the mainstay of Hospice.

One major source of income are from memorial gifts, individual donations, and town support. We hope you will support our services.

The care patients and families receive is overseen and guided by the Hospice Interdisciplinary Team, which includes at least one representative from the following professions: clergy, discharge planner, Hospice nurse, home health nurse, oncology nurse, physician, social worker, Hospice volunteer. In order to ensure comprehensive medical and case management services, Hospice participates in the Hospice Regional Network (with six area home health agencies and four other volunteer Hospice programs) to provide the Medicare Hospice Benefit.

For the first eleven months in 1992, Hospice served 330 patient/families in our various areas of service, of which 1 has been from Haverhill.

In 1991, 125 patient/family units received Hospice nursing assessment and consultation volunteer assistance with routine tasks or respite care in home, hospital, or nursing home. 141 families received support and guidance in their grief through our support groups for bereaved children and ongoing adult support groups. Another 50 people coping with issues related to death and dying received short-term counseling, and 125 received information or referral to other services. Hospice-trained AIDS buddies provided care to 11 people.

Hospice of the Upper Valley services are available free of charge in Upper Valley towns, including: Cannan, Dorchester, Enfield, Grafton, Hanover, Haverhill, Lebanon, Lyme, Orange, Orford, Piermont and Plainfield in New Hampshire; and Barnard, Bradford, Bridgewater, Corinth, Fairlee, Hartford, Hartland, Newbury, Norwich, Plymouth, Pomfret, Reading, Thetford, Topsham, Vershire, West Fairlee, West Windsor, Windsor, and Woodstock in Vermont.

Respectfully submitted,

Clinton G. Cooper, Executive Director

WESTERN GRAFTON COUNTY YOUTH DIVERSION PROGRAM

The Western Grafton County Youth Diversion Program was begun in 1991, serving the towns of Bath, Benton, Haverhill, Landaff, Piermont and Warren. It was created in order to give the court a tool to try and turn juveniles around so that they would not become repeat offenders.

The Haverhill District Court processed an average of eighty-five juvenile cases per year in the last three years. Many of these cases were first time offenses of a petty nature that were handled by the diversion program and therefore prevented adjudication in the future. Many of these juveniles are matched with services in the community as soon as possible so that they are able to obtain needed help to diminish recidivism.

The part-time diversion coordinator guides cases through the program. The coordinator is charged with the responsibility of identifying resource and service providers in the community, so that these juvenile offenders receive the most appropriate effective help.

The purpose of the program is to alleviate the backlog of cases currently seen in the Haverhill District Court, thereby allowing the court to focus its energy on those cases of a more serious nature. This increases the court's efficiency and clears up some of the frustration inherent in working with juveniles and their families. We target for diversion, first time juvenile offenders only, and allow them to make restitution within the community without being involved in the court process after arraignments. It focuses on CHINS and delinquent cases, but it excludes violent and deviate offenders.

Although there are relatively few services available within the North Country because of its rural nature, the diversion program identifies and utilizes the services that currently exist county and state wide for youths and their families.

In summary, we feel that the only way that future diversion efforts are going to be maintained in our region is to provide some substance and consistency with it. It is hoped that serious consideration can be given to providing the funds necessary in order to continue this work in the future. Our hope is that the program will grow and eventually be as successful as others already functioning in the North Country region. In order to do this we must ask the towns it serves to make a contribution.

WARRANT

MINUTES OF ANNUAL MEETING OF THE NORTH HAVERHILL WATER & LIGHT
DISTRICT HELD MARCH 12, 1992.

The meeting was called to order at 7:30 PM by Moderator Richard Kinder, and he read the Warrant for said meeting.

ARTICLE 1. To choose a Moderator for the ensuing year.

Richard Kinder was nominated by Howard Hatch and seconded by Everett Sawyer. There were no further nominations and Richard Kinder was elected.

ARTICLE 2. To choose a Clerk for the ensuing year.

Robert Rutherford was nominated by Everett Sawyer and seconded by Ronald Aldrich. There were no further nominations and Robert Rutherford was elected.

ARTICLE 3. To choose a Treasurer for the ensuing year.

John Aldrich was nominated by Larry Norcross and seconded by Robert Clifford. There were no further nominations and John Aldrich was elected.

ARTICLE 4. To choose a Commissioner for a period of three (3) years.

Howard Hatch was nominated by Frank Stiegler, Mr. Hatch declined the nomination. Robert Clifford, Jr. was nominated by Richard Clifford and seconded by Robert Clifford. There were no further nominations and Robert Clifford, Jr. was elected.

ARTICLE 5. To choose an Auditor for the ensuing year.

Roger Wells was nominated by Everett Sawyer and seconded by Larry Norcross. There were no further nominations and Roger Wells was elected.

ARTICLE 6. To hear the reports of the officers heretofore chosen and to pass any vote relating thereto.

Howard Hatch gave the Auditors report, as given to him by Roger Wells, for the past year, stating that the books were found to be in proper order.

Everett Sawyer moved that the reports be accepted as given and printed in the Town report. The motion was seconded by Robert Clifford and was passed.

ARTICLE 7. To raise and appropriate such sums of money as may be deemed necessary for the Fire Department, and Street Lights, and Sidewalks of the District.

Richard Patten moved that the District raise and appropriate a sum of seventy four thousand nine hundred fifty dollars [\$74,950.00], with ten thousand three hundred seventyfive dollars [\$10,375.00] to be raised by taxes. This was seconded by Ronald Aldrich. Larry Norcross asked about the reasons for the increases, and felt some of the interest from the savings accounts should be used to help defray the costs, this is being done. After further brief discussion the motion was passed.

ARTICLE 8. To see if the District will vote to authorize the Commissioners to borrow money to provide for the current expenses, or for emergency until taxes are collected, and give notes for same.

Everett Sawyer moved that the Commissioners be so authorized. The motion was seconded by Marge Lane, and passed by voice vote.

To see if the District will vote to increase the Rates Charged for Water and set the following per quarter Rates: Residential Unit, \$27.50; Small Business within a Home \$13.75; Small Business \$45.00; Intermediate Business \$64.00; Large Business \$200.00; Small Farm \$100.00; Intermediate Farm \$125.00; Metered Water \$15.00 base, plus \$1.50 per 1000 gallons for all water used over and above a base of 3000 gallons.

Frank Stiegler moved that the District adopt these Rates. The motion was seconded by Donald Kimball. Larry Norcross then made a motion to have this voted on by Ballot vote, this was seconded by Robert Clifford, and voted in the affirmative. After a brief discussion a ballot vote was taken. There was a total of 25 votes cast, 19 yes, and 6 no, the motion was adopted.

ARTICLE 12. To transact any other business to properly come before this meeting.

Howard Hatch made a report on Street signs, and stated that four signs have been ordered. Howard had talked to a couple of Towns about their signs. Larry Norcross stated that the Commissioners might wish to check with Bradford about their signs, and the cost of same. The Commissioners will make further investigation prior to purchasing signs for the ends of the District.

Howard Hatch stated that the District had received one request for water from outside the District, from Fred King. Howard then made a motion that the District allow Mr. King to have water as long as he tied into the District Main near his home. This was seconded by Robert Clifford. Frank Stiegler asked for the Commissioners recommendation on this motion. Ron Aldrich stated that they were in favor as long as the connection was made to the District Main. The Motion was voted in the affirmative.

Richard Kinder asked that the District give a thank you to Howard Hatch for his many years of service to the District.

Everett Sawyer then made a motion to adjourn the meeting. This was seconded by Ronald Aldrich, and the meeting was adjourned at 8:05 PM.

Respectfully Submitted,

Robert J. Rutherford
District Clerk

PRECINCT COMMISSIONERS:

WALTER MORRIS
WILLIAM KOCH, JR.
EARL AREMBURG

MINUTES OF THE 1992 ANNUAL MEETING
PRECINCT OF HAVERHILL CORNER

The 1992 Annual Meeting of the Precinct of Haverhill Corner was held Wednesday, March 18, 1992 at 7:30 PM at the Parish House in Haverhill, New Hampshire. Victor Smith, Moderator, called the meeting to order. Jim Brown, Walter Morris and Bill Koch, being Precinct Commissioners, were present. Mr. Smith read the posted warrant for 1992. Mr. Smith questioned the omission of the word "note" in Article VII on the warrant. This was clarified by the Commissioners, and the clarification was duly entered. Mr. Smith announced that those voting on the articles on the warrant be registered voters on the town list and residents of the Precinct of Haverhill Corner.

ARTICLE I: The moderator announced that the election of a moderator for the coming year was in order. Nancy Pompian nominated Victor Smith, seconded by Harvey Keyes. With no further nominations, Mike Lavoie moved that the nominations be closed and that the clerk cast one ballot for Victor Smith. Seconded by Harvey Keyes. By voice vote, Victor Smith declared himself moderator for the coming year.

ARTICLE II: Mimi Emory was nominated by Vern Dingman for Clerk for the coming year. This was seconded by Vesta Smith. With no other nominations for clerk, Harvey Keyes moved that nominations be closed and that the moderator cast one ballot for Mimi Emory. Seconded by Carl Elsner. Mimi Emory was declared the clerk by the moderator. Helen Smith swore in the moderator and clerk.

ARTICLE III: Bill Foster moved the article to accept the Precinct reports as printed in the Town Report. Seconded by Vesta Smith. In response to questions, Alan Willey addressed the Precinct budget, explaining the expenditures and revenues, depreciation items, and the value of the land, which is carried at its purchase price. The question was moved, seconded and voted. A voice vote in the affirmative.

ARTICLE IV: The moderator called for nominations for a Precinct Commissioner for the term of three (3) years. Walter Morris nominated Earl Aremburg, seconded by Linda Smith. With no further nominations, Carl Elsner moved that the nominations be closed, seconded by Vesta Smith. A voice

vote in the affirmative, one vote in the negative. The moderator declared Earl Aremburg elected as a Precinct Commissioner for a term of 3 years.

ARTICLE V: Nominations for Treasurer were opened. Alan Willey was nominated by Mike Lavoie and seconded by Greta Morris. Linda Smith moved that the nominations be closed and the clerk cast one ballot for Alan Willey. Seconded by Herb Morse. A vote in the affirmative.

ARTICLE VI: Carl Elsner nominated Jim Barber for Auditor for one (1) year, seconded by Linda Smith. It was moved by Harvey Keyes and seconded by Bill Foster that nominations be closed and one ballot be cast for Jim Barber. A vote in the affirmative. Elected officers were sworn in by Helen Smith.

ARTICLE VII: Vesta Smith moved the Precinct Commissioners be authorized to borrow money to provide for current expenses or for emergencies, until the taxes are collected and to give note for same. Seconded by June Klitgord. There was no discussion. A vote in the affirmative.

ARTICLE VIII: Mary Campbell moved the article to see if the Precinct will raise the water rates \$10.00 per quarter for each hook up for one year to build up the Capital Reserve Account. This was seconded by Vesta Smith. In response to questions, Jim Brown explained that the capital reserve fund was low due to expenditures on the water reservoir repairs and replacement of equipment. There are approximately 152 hook ups and the quarter increase would result in roughly \$6,000.00 for the capital reserve account. The radon content of the precinct water was discussed. Bill Koch stated that the Precinct water met the proposed federal standards, but that the artesian wells were way over such standards. Mr. Koch indicated this would be dealt with when these standards are finalized. It was moved by Vern Dingman and seconded by Bill Foster that this article be amended to use the "customer" rather than the word "hook up". A vote in the affirmative. It was moved by Bill Koch and seconded by Jim Brown that the article be passed as amended. A vote in the affirmative.

ARTICLE IX: Harvey Keyes moved the article to see if the Precinct will raise \$1,200 to landscape the North Common. This was seconded by Steve Campbell. Landscaping would include preparing and reseeding the section of land on the North Common where a new culvert system was installed in a previous year. Mike Lavoie thought it would be a good community project with all labor being volunteered. Items such as loam could be negotiated. Vern Dingman stated that he will call a meeting of the Haverhill Corner Improvement Association for volunteers to work with the Commissioners to organize and accomplish the landscaping on the North Commons. The amended question was moved by Mike Lavoie and seconded by June Kiltgord. After voice approval, the amended article was passed by voice vote.

ARTICLE X: Harvey Keyes moved the article to raise such sums of money for the ensuing year as printed in the budget, seconded by Bill Foster. In response to questions, Alan Willey explained the expenditures and revenues on the budget to clarify the amount to be appropriated and that to be raised by taxation. The question was moved by Bill Foster and seconded by Steve Campbell. After voice approval, the article was passed by voice vote.

ARTICLE XI: There was a brief discussion on the level of reimbursement to the Commissioners as well as other paid Precinct officials.

Mike Lavoie moved on expression of thanks to Jim Brown, the retiring Commissioner, for his great contributions of time, effort and good advise on Precinct matters. This was seconded and voted with applause. Mike also thanked the precinct members for appropriating the necessary funds to pave the driveway to and from the fire house to Route #10.

Bill Koch thanked the fire department for their efficient work and that the fire department contributed \$8,200. of their own money into the purchase of the new fire truck. This was also seconded and approved with applause.

Bill Foster expressed that there should be further compensation to Walter Morris or whoever handles the water service, that this duty carries alot of responsibility as well as hard work and time. Bill Foster moved to recommend that the commissioners consider the question of equitable reimbursement to the Commissioner who handles the water service. This was seconded by Vern Dingman. It was a vote In the affirmative.

Greta Morris made a motion to adjourn the meeting and Alan Willey seconded the motion. A vote in the affirmative. The meeting was adjourned at 9:15 PM.

Respectively submitted,

Mimi Emory
Precinct Clerk

MINUTES OF THE WOODSVILLE FIRE DISTRICT'S ANNUAL MEETING

HELD TUESDAY MARCH 17, 1992

The meeting was called to order at 7:30 PM by Moderator Gary Wood. At this point Commissioner Joe Maccini asked that a moment of silence be observed for Bart Mann in recognition of his many years of service as Moderator.

The Moderator then read the warrant in its entirety.

Article 1: To choose a Moderator. Bruce Robbins nominated Gary Wood, which was seconded by Bob Miller. Brad Kennedy moved to have nominations cease and have the Clerk cast one ballot for Gary Wood. Gary Wood was declared elected.

Article 2: To choose a Clerk. Bob Miller nominated Patti Klark, which was seconded by Joe Maccini. Larry Corey moved to have nominations cease and have the Clerk cast one ballot for Patti Klark. Patti Klark was declared elected.

Article 3: To choose a Treasurer. Larry Corey nominated Allen Wright, which was seconded by Bruce Robbins. Steve Whalen moved to have nominations cease and have the Clerk cast one ballot for Allen Wright. Allen Wright was declared elected.

Article 4: To choose an Auditor. Larry Corey nominated Roger Welch, which was seconded by Bruce Robbins. Mike Graham moved to have nominations cease and have the Clerk cast one ballot for Roger Welch. Roger Welch was declared elected.

Article 5: To choose one [1] Library Trustee for a term of one [1] year. Hazen Wilson nominated Linda Graham, which was seconded by Larry Corey. Bob Miller moved to have nominations cease and have the Clerk cast one ballot for Linda Graham. Linda Graham was declared elected.

Article 6: To choose one [1] District Commissioner for a term of three [3] years. Larry Corey nominated Joseph C. Maccini, which was seconded by Bob Miller. Larry moved to have nominations cease and have the Clerk cast one ballot for Joseph C. Maccini. Joseph C. Maccini was declared elected.

Article 7: To choose one [1] Water & Light Commissioner for a term of three [3] years. Bob Miller nominated Brad Kennedy, which was seconded by Larry Corey. Norm Davis nominated Roland Moore which was duly seconded. The Moderator declared nominations closed. A vote by a show of hands showed Brad Kennedy to have a clear majority. The Moderator declared Brad Kennedy elected.

Article 8: To choose one [1] member of the Recreation Committee for a term of five [5] years. Larry made a motion to authorize the Recreation Committee to appoint a member. The motion was seconded by Bob Miller and unanimously voted.

Article 9: To hear the reports of the officers heretofore chosen and to pass any vote relating thereto. Bob Miller moved to approve the reports as printed in the town report. The motion was seconded by Bruce Robbins and unanimously voted.

Article 10: To see if the District will vote to authorize the District commissioners to issue interest bearing notes in anticipation of taxes and other revenues of the financial year to provide for current maintenance and operation expenses. Mike Graham moved to approve the article, which was seconded by Hazen Wilson and unanimously voted.

Article 11: To see if the District will vote to authorize the Board of Commissioners to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the district may legally appropriate money. Bob Miller moved to approve the article, which was seconded by Jeff Robbins and unanimously voted.

Article 12: To see if the District will vote to name the Commissioners as Trustees and Agents for the Streets & Sidewalks Fund and the Truck Replacement Funds. Bruce Robbins moved to approve the article, which was seconded by Jeff Robbins and unanimously approved.

Article 13: To see if the District will vote to construct a street from the westerly end of the former Smith Street Bridge to connect with US Route 302 between the "Railyard" property and the "D & P Pit Stop" property and to see what sum the District wishes to appropriate for this purpose. Mike Graham asks the Commissioners to speak to the article.

Joe Maccini gave some background on the Smith Street Bridge situation. He stated that this article was based on the vote at last year's District meeting. He stated that the Precinct has worked with the State to come up with an acceptable access onto Rte. 302. The cost estimate is \$79,000, which includes relocating power lines and storm drains. The State has also agreed to add a 3rd lane on Rte. 302 and install the storm drains.

Jack Brill asked how far the 3rd lane will go. Joe responded that it would run 130-feet wide and taper in the hill. Jack asked if there was any chance of having a sidewalk put in. Joe responded that it is needed and will be looked into. Jack asked about land acquisition cost. Joe stated that the land is being donated.

Mike Dannehy asked about access to the chipping mill. Joe stated that access will be built, but no road to it.

Joe went on to explain that they are planning to use capital reserve funds and that they are not asking for tax dollars. Ed Young asked how much is in that fund. Larry Corey stated that there is \$129,000.

Ed Young asked if the State will pave the acceleration lane. Joe stated that the State will build it, but they expect the Precinct to pave it.

Dick Guy moved to approve Article 13, but to amend it to appropriate the sum of \$79,000 to be withdrawn from the Streets and Sidewalks Fund. The motion was seconded by Bob Miller and unanimously voted.

Article 14: To see if the District will vote to raise and appropriate the sum of \$230,000 for the construction of a new emergency services building and said sum to be in addition to any federal, state or private funds made available therefore, and to authorize the issuance of not more than \$210,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act [RSA Ch. 33] and to authorize the District officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$20,000 from the Ambulance Rental Account for this purpose.

MINUTES OF THE 1992 WOODSVILLE PRECINCT MEETING

Commissioner Dick Guy stated that he would like to speak to the article, but they intend to ask the voters to pass over it. Dick went on to explain that there are critical space problems at the existing building, and they would like to be able to combine the fire department and emergency services and continue to have everything under one roof. However, they don't have a concrete plan at this point and also to raise this amount of money would require a public hearing.

Fire Chief Bruce Robbins asked to address the issue of space needs at the fire station. He stated that they would like to be able to do it without asking for any tax dollars. They have developed two designs, but have no firm figures for cost.

He pointed out that presently one ambulance is housed at the Fire Station and ambulance #2 is at the hospital, which makes it difficult when transfers are being made. He also noted that there is no space for the full-timers to have any privacy. He stressed that they would like to see it remain as one unit. He stated that the fire inspection program is doing quite well. The schools have been upgraded as a result of inspections done in conjunction with the State Fire Marshall's Office. They have also implemented a fire prevention program and CPR training at the schools.

Bruce stated that Woodsville is fortunate to have 24-hour coverage at the fire station and that the department presently has 38 members.

He noted that the fire fighters took out a \$20,000 note for ten years to purchase the ladder truck, which is being repaid through donations and fund raising.

Chief Robbins then invited everyone to stop by the fire station and see their operation firsthand.

Dick Guy then moved to pass over the article, which was seconded by Larry Corey and unanimously voted.

Article 15: To see if the District will vote to authorize the Commissioners to sell the existing fire station property on Central Street. Dick moved the article, which was seconded by Bruce Robbins. Dick Guy explained the intent of the article. He indicated that they would like to get the voters permission to get it on the market and get some idea of what kind of money they have to work with, but it is not their intent to sell it unless they have somewhere for the Fire Department to go.

Ed Young asked if they had a dollar amount in mind. Larry Corey responded, stating that it would cost \$250-\$500 to get an appraisal done. Ed Young asked if it would be more appropriate to just give the Commissioners authorization to explore it for now.

Chuck Butson moved to amend the article to add the following: to insert language in the purchase and sales agreement that it be contingent upon voter authorization at a duly called district meeting. The amendment was seconded by Dick Guy and unanimously voted.

Chuck stated that as a point of order the amendment to the article has been voted and the article must now be voted on as amended.

Dick moved the article as amended, which was seconded by Bruce Robbins. A voice vote showed all in favor and the Moderator declared the article approved, as amended.

Article 16: To raise and appropriate such sums as may be necessary for the coming year, including all departments.

Larry moved to raise and appropriate the sum of \$2,121,649.50, which was seconded by Bob Miller and unanimously voted.

At this point the Moderator administered the oath of office to newly elected officials.

Article 17: To transact any other business that may legally come before this meeting.

Jack Brill asked about the status of the basketball courts, noting that there had been a lot of discussion about it at last year's meeting and then the article was passed over. Allen Wright responded, stating that Jay Holden was working on it.

Ed Young stated that he believes the Precinct books should be audited by a certified public accountant every year. The Moderator asked that it be made as a motion. Ed Young then made the following motion: That the Commissioners be directed to investigate the cost of having an annual audit by a certified public accountant and report on their findings at their next meeting. This was seconded by Bob Miller and unanimously approved.

Marcel Tanguay inquired about the status of paving Brill Hill. Dick Guy responded, noting that it is on the list to be done for 1992.

Marcel also asked about the new garage proposal--where it would be built, and if they intended to build it where the precinct pit is. Dick stated that the plan was to build it there, and that it would require removing some sand from the pit.

As there was no further business to be transacted, Chuck Butson moved to adjourn, which was seconded by Linda Maccini and unanimously voted. The Moderator declared the meeting adjourned at 8:25 PM.

TOWN OF HAVERHILL
MOUNTAIN LAKES DISTRICT

PROPOSED WARRANT FOR 1993 ANNUAL DISTRICT MEETING

To the voters of the Mountain Lakes District located in the Town of Haverhill, New Hampshire, who are qualified to vote in District affairs:

You are hereby notified to meet at the District Building (Ski Lodge) in the Mountain Lakes District on Saturday, March 13, 1993, at 10:00 a.m. to act on the following Articles.

Article 1:

To elect the following District Officers:

- A Moderator for the term of one (1) year.
- A Commissioner for the term of three (3) years.
- A District Clerk for the term of one (1) year.
- A Treasurer for the term of one (1) year.

Any other Officers required by law.

Article 2:

To see what sum the District will vote to appropriate to pay the expenses of the District during the 1993 fiscal year for the purposes set forth in the District budget.

Article 3:

To see if the District will approve the budget including revenues and expenses proposed by the Commissioners for the operation of the Water Department for the 1993 fiscal year (January 1 to December 31, 1993).

Article 4:

To see if the District will establish a reserve account for the Water Department and direct that all funds remaining at the end of each fiscal year shall be deposited in such reserve account for the purpose of replacing water lines and equipment of the Water Department.

Article 5:

To see if the District will vote to authorize the Commissioners to take whatever action is necessary to close out the Monteau Enterprise account.

Article 6:

To see if the District will appropriate the sum of \$3,500 for the purpose of an alternative source of water for the Water Department.

Article 7:

To see if the District will vote to appropriate the sum of \$5,000 for repairing the District tennis and basketball courts.

Article 8:

To see what sum the District will vote to appropriate and to withdraw from the capital reserve fund for the financing of the acquisition of recreation equipment or the construction of capital improvements, for the purpose of repairing the District tennis courts.

Article 9:

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Mountain Lakes District
Haverhill, New Hampshire

We have audited the accompanying general purpose financial statements of the Mountain Lakes District, Haverhill, New Hampshire as of December 31, 1991, and for the year then ended. These general purpose financial statements are the responsibility of the Mountain Lakes District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Mountain Lakes District, Haverhill, New Hampshire as of December 31, 1991, and the results of its operations and cash flows of its proprietary fund types for the year then ended in conformity with generally accepted accounting principles.

Our examination, was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental schedule listed in the table of contents is presented for additional analysis and is not a required part of the general purpose financial statements of the Mountain Lakes District, Haverhill, New Hampshire. Such information has been subjected to the auditing procedures applied in the general purpose financial statements and, in our opinion is fairly stated in all material respects to the general purpose financial statements taken as a whole.

HAVERHILL, NEW HAMPSHIRE
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS
December 31, 1991**

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Mountain Lakes District is organized as a Village District (special purpose district) under the laws of the State of New Hampshire. The District is located within the town boundaries of Haverhill, New Hampshire and provides recreational services and water to the residents within the District. In addition, the District owns a ski area located within the District boundaries (See notes 9 and 14 for details related to the ski area).

The accounting policies of the Mountain Lakes District conform to generally accepted accounting principles for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

A. Basis of Accounting

Governmental funds utilize the modified accrual basis whereby revenues are recorded when susceptible to accrual, i.e., both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred, if measurable. The accrual basis is used for all enterprise funds.

B. General Fixed Assets

Fixed assets are recorded at historical cost. Public domain (infrastructure) general fixed assets consisting of roads and bridges are not capitalized.

C. Interfund Transactions

During the course of normal operations, the District has numerous transactions between funds, including expenditures and transfers of resources to provide services, construct assets, and service debt. The accompanying financial statements reflect such transactions as transfers.

D. Total Columns on Combined Financial Statements

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles.

E. Cash and Cash Equivalents for Cash Flows

Cash and cash equivalents for statement of cash flow purposes consists of cash, investments and interfund balances (representing cash transactions) as follows:

	<u>Ski Area</u>	<u>Water Fund</u>
Certificate of Deposit	\$76,416	\$13,907
Demand Deposits		9,571
Inter-fund Balances	(18,503)	
Total Cash and Equivalents	<u>\$57,913</u>	<u>\$23,478</u>

F. Property Taxes

Under State statutes, the Town of Haverhill, New Hampshire (an independent governmental unit) collects District taxes for the District from property owners located within the boundaries of the District. As collection agent, the Town is required to pay over to the District its share of property taxes collected through periodic payments based on cash flow requirements of the District. The Town assumes financial responsibility for all uncollected property taxes under State statutes.

G. Compensated Absences

The District does not accrue vested accumulated unpaid vacation or sick leave as is required by generally accepted accounting principles, but provides for compensated absences on a "pay as you go" basis. Amounts of vested compensated absences are immaterial to these financial statements.

NOTE 2--PURPOSE OF FUNDS AND ACCOUNT GROUPS

The District reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the District and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. Governmental Fund Types

These funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

General Fund - used to account for all revenues and expenditures which are not accounted for in other funds as account groups.

B. Proprietary Fund Types

Enterprise Funds - are used to account for the operations of the District's Ski Area and Water Department which provide service on a user charge basis. The measurement focus is on income determination.

C. Account Groups

General Long-term Debt - This account group is used to account for the unmatured principal of the District's general long-term debt except that accounted for in the Proprietary Funds.

General Fixed Assets - This account group is used to account for the general fixed assets of the District that are not recorded in Proprietary Funds.

NOTE 3--CASH AND INVESTMENTS

The District's investment policy requires that investments be made in New Hampshire based financial institutions that are insured by the Federal Deposit Insurance Corporation. The District limits its investments to money market accounts and certificates of deposit in accordance with New Hampshire State Law (RSA 41:29).

At year end, the carrying amount of the District's demand deposits was \$37,743 and the bank balance was \$46,658. All of the bank balance was covered by federal depository insurance.

The carrying amount and bank balance of the District's investments, a certificate of deposit with a original six month term, was \$76,416. The entire bank balance was covered by federal depository insurance.

NOTE 4--BUDGET

The District's budget represents appropriations as authorized by annual or special District meetings. The Commissioners may transfer funds between operating categories as they deem necessary.

The budget reported in Exhibit C represents revised appropriations as follows:

Budget approved at District Meeting	\$212,265
Timing Differences:	
Continuing Appropriations:	
December 31, 1991	(9,800)
Adjusted Budget - Exhibit C	<u>\$202,465</u>

NOTE 5--PROPRIETARY FUNDS - PROPERTY, PLANT AND EQUIPMENT

Following are the estimated useful lives used in determining the annual charge for depreciation in the Ski Area and Water Department:

	<u>Years</u>
Ski Area:	
Rope tow	10
Water Department:	
Water distribution system	40
Backhoe	10
Other light equipment	5

No depreciation was recorded in the Ski Area fund for 1991 as there were no operations.

NOTE 10--LONG-TERM DEBT (CONTINUED)

General Obligation Debt is a direct obligation of the District for which its full faith and credit is pledged, and is payable from taxes levied on all taxable property located within the District.

NOTE 11--DESIGNATED FOR FUTURE YEAR'S EXPENDITURES

General Fund

Appropriations for specific budget items not fully expended at year end are carried forward as continuing appropriations to the next year, in which they supplement that year's appropriations. At year-end, continuing appropriations are reported as components of fund balance and are detailed as follows:

Drilling for an alternative water source	\$6,500
Swimming pool construction	3,300
	<u>\$9,800</u>

NOTE 12--MAINTENANCE CONTRACT

In June, 1991 the District entered into a three year contract to provide for the regular maintenance of the water distribution system. The amount of the contract is \$91,800 to be paid in 36 monthly installments of \$2,550. Labor and equipment provided beyond the scope of regular maintenance will be paid for on an hourly basis at \$20 for a laborer and \$50 for use of the backhoe including labor.

NOTE 13--CONTRACTUAL OBLIGATIONS

The District has entered into a contractual relationship for water rights to a well on the non-District property. The contract calls for minimum rent of the larger of \$6,000 annually or \$2.17 per user per month through January, 1994.

NOTE 14--SUBSEQUENT EVENT

On March 14, 1992, at the 1992 District meeting, actions were approved to terminate the Ski Area Enterprise Fund. Assets in the fund will be used to retire the fund's liabilities and any remaining assets will be transferred to the general fund, fixed asset account group or the Water Enterprise fund.

NOTE 15--CONTINGENCIES AND COMMITMENTS

Litigation

District officials estimate that any potential claims against the District which are not covered by insurance are immaterial and would not affect the financial position of the District.

Pursuant to the warrant, the meeting convened at the gymnasium of the James R. Morrill Elementary School at 10:00 AM on March 19, 1992.

Moderator Karl T. Bruckner called the meeting to order at 10:00 AM for the purpose of acting on Articles I and II, with action on the remaining Articles to be deferred until 7:30 PM. The ballot box was examined by Helen Rogers and Miriam Page and found to be empty. The ballot box was locked and the polls were declared open until 7:00 PM.

The polls were declared closed at 7:00 PM and the ballot box was opened and the ballots were counted. The ballot counters were: Steve Wellington, Bill Koch, Bill Lindsey and Mary Campbell.

The Moderator called the meeting to order at 7:30 PM.

ARTICLE I: To choose, by non-partisan ballot, a Moderator for the ensuing year.

The Moderator announced the results of balloting: 164 for Karl Bruckner. A small number of votes were cast for various other individuals. Mr. Bruckner was declared elected.

ARTICLE II: To choose by non-partisan ballot, three members of the school board, one from the pre-existing Haverhill School District for a term of three years; one from the pre-existing Woodsville School District for a term of three years; and one member at large for a term of three years.

Mr. Bruckner announced the results of balloting: for the pre-existing Haverhill School District for a term of three years - Raymond Aremburg, 155 votes and a small number of votes were cast for various other individuals; for the pre-existing Woodsville School District for a term of three years - Wayne Fortier, 40 votes and a small number of votes were cast for various other individuals; for the member-at-large for a term of three years - Homer May, 73 votes, Jeff Stimson, 118 votes and Cheryl Towne, 18 votes. The Moderator declared Mr. Aremburg, Mr. Fortier and Mr. Stimson duly elected. The newly elected officers will take office upon the adjournment of this meeting.

ARTICLE III: To hear the reports of Agents, Auditors, Committees or officers chosen, and pass any vote relating thereto.

Mr. Sawyer moved to accept the reports of Agents, Auditors, Committees or officers chosen as written in the annual report. Mr. V. Smith seconded the motion. The motion was passed by voice vote.

ARTICLE IV: To see if the voters of the district will accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescision of such authority, the school board to apply for, accept and expend, without further action by the school district, money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year.

Mr. Aremburg moved the article as read. Mr. Wellington seconded the motion. The motion was passed by voice vote.

ARTICLE V: To see if the District will vote to allocate to the Capital Reserve Fund an amount equal to 50% of the unencumbered balance for the fiscal year 1991-92 not to exceed the sum of twenty-five thousand dollars.

Mr. Aremburg moved the article as read. Ms. Frechette seconded the motion. The motion was passed by voice vote.

ARTICLE VI: To see if the district will vote to amend Article 3 of the Articles of Agreement between the School Districts of Haverhill and Woodsville to read "The Haverhill Cooperative School District shall be responsible for grades K through 12. Grades K-3 shall be a Woodsville, utilizing the Woodsville Elementary School, grades 4-8 shall be at North Haverhill, utilizing the Haverhill Cooperative Middle School and grades 9-12 shall be at Woodsville utilizing Woodsville High School. (This article to become effective at the beginning of the 1992-93 school year.)

Mr. Fortier moved the article as read. Mr. Tueckhardt second the motion. Voting was done by ballot. The ballot counters were: Bill Lindsey, Mary Campbell and Rich Kinder. The results of the vote were 159 - yes, 12 - no. The article passed.

ARTICLE VII: To see if the district will vote to amend Article 2 of the Articles of Agreement between the School Districts of Haverhill and Woodsville to read: "There shall be seven members of the Cooperative School Board of the Haverhill Cooperative School District. Two from each pre-existing district and three members-at-large. All members shall be elected by the Cooperative District as a whole using one checklist. Members of the Cooperative School Board who are elected and qualified at the annual meeting shall hold office until their respective successors have been elected and qualified at the annual meeting of the Cooperative School District held in the years indicated below.

<u>Haverhill</u>	1 member 1993
	1 member 1994

<u>At-Large</u>	1 member 1993
	1 member 1994
	1 member 1995

<u>Woodsville</u>	1 member 1994
	1 member 1995

All members of the Cooperative School Board shall be elected for three year terms. The members of the Cooperative School Board shall assume office at the close of the annual meeting. All members of the Cooperative School Board shall be elected by the use of

the non-partisan ballot system under the provisions of R.S.A. 59." (by petition)

Mr. Tueckhardt moved this article. Mrs. Tobey seconded the motion.

At this time Mr. Scruton explained to the public that by electing the board members this way, we would only need one checklist instead of two and everyone would be able to vote for all school board members.

The voting was done by ballot. The ballot counters were Rich Kinder and Mary Campbell. The results of the voting were: 141 - yes and 34 - no. The article passed.

ARTICLE VIII: To see if the school district will vote to authorize the Haverhill Cooperative School Board to convey to the town of Haverhill real estate consisting of the James R. Morrill Elementary School building and grounds upon such terms and conditions as the School Board may deem appropriate for consideration paid less than one dollar and upon express conditions that said Selectmen agree to assume and pay any costs and expenses relative to rendering the title of the foregoing real estate marketable, to hold the school district harmless with respect thereto and to indemnify the school district against liability therefore.

Mr. Miller moved this article. Mrs. Towne seconded the motion. The motion was passed by voice vote.

ARTICLE IX: To see what sum of money the district will vote to raise and appropriate for asbestos removal at the Woodsville Elementary School.

Mr. Aremburg moved that the school district raise and appropriate the sum of \$17,500.00 for asbestos removal at the Woodsville Elementary School. Mr. Tueckhardt seconded the motion.

Mr. Maccini explained to the public that there was asbestos in the Woodsville Elementary School gym floor. The \$17,500.00 would include disposing of the asbestos and replacing the whole floor in the gym and cafeteria area. The motion was passed by voice vote.

ARTICLE X: To see what sum of money the district will raise and appropriate to enter into a twenty-four month lease purchase agreement for the purpose of obtaining a lawn and garden tractor and trailer.

Mr. Fortier moved to pass over this article. Mrs. Towne seconded the motion. The motion was passed by voice vote.

ARTICLE XI: To see what action the voters wish to take in considering purchase of Page property.

Mr. Brill moved that the school district raise and appropriate the sum of \$57,000.00 for the purchase of the Page property. Mrs. Williams seconded the motion.

Mr. Brill explained that this property was being taken back by the bank. With the school district buying this piece of property it could be used for additional parking or adding unto the Community Building if need be.

Mr. Kinder made a motion to table this article. Mrs. Towne seconded the motion. Motion to table the article was passed by voice vote.

ARTICLE XII: To see if the District will vote to approve the cost items of the factfinders' report relative to teacher salaries and fringe benefits for the 1992-93 school year and to raise and appropriate a sum of money to fund all cost items relative to teacher salaries and fringe benefits for the 1992-93 school year which are contained in the factfinders' report and which represent the factfinders' recommended increase in cost items over the 1991-92 teacher salaries and fringe benefits.

Mr. Maccini explained that at this time the school board and the Haverhill Cooperative Teachers Association are at impasse over monetary issues, therefore, Mr. Maccini moved to pass over this article. Seconded by Mr. Wellington. Passed by voice vote.

ARTICLE XIII: To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

Mr. Fortier moved that the school district raise and appropriate the sum of \$5,315,626.00 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are

estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town. Mrs. Williams seconded the motion.

Mr. Fortier explained that an additional \$30,000.00 was added to the budget by the board for two court ordered special education placements.

Mr. LeBarron asked how much of the budget was total salaries and how much was total benefits. Mr. Fortier informed him that \$2,744,288.00 was salary for all staff and \$707,131.00 was benefits for all staff.

The public was informed that the budget had an increase of 6.6% over last year.

Mr. Moreau, Chairman of the Citizens Advisory Budget Committee, explained how they developed the recommended budget and the fact that 4.4% of the budget increase was due to the additional costs of the bond, interest and operating expenses of opening the new middle school.

The article was moved by Mr. Sawyer and seconded by Mr. Wellington. The article passed by voice vote.

ARTICLE XIV: To transact any other business that may legally come before said meeting.

Mr. Maccini made a motion to adjourn and Mr. Teschner seconded.

The meeting was adjourned at 9:30 PM.

Respectfully submitted,

Lynda Fredenberg, Clerk

HAVERHILL
COOPERATIVE SCHOOL DISTRICT
WARRANT
SPECIAL SCHOOL DISTRICT MEETING

To the Inhabitants of the Haverhill Cooperative School District, qualified to vote in School District affairs:

You are hereby notified to meet at the Haverhill Cooperative Middle School Gymnasium in North Haverhill, New Hampshire on the 29th day of October, 1992 at 7:30 o'clock in the afternoon to act upon the Articles set forth in this warrant.

ARTICLE I: To see if the District will vote to approve the cost items of the factfinder's report relative to teacher salaries for the 1992-93 school year and to raise and appropriate, in addition to the general appropriation made at the 1992 annual school district meeting, sufficient monies to fund all cost items relative to teacher salaries and fringe benefits for the 1992-93 school year which are contained in the factfinder's report and which represent the factfinder's recommended increase in cost items over the 1991-92 teacher salaries and fringe benefits.

ARTICLE II: To transact any other business that may legally come before this meeting.

Given under our hands this 21 day of September, 1992.

HAVERHILL COOPERATIVE SCHOOL BOARD

SPECIAL MEETING
HAVERHILL COOPERATIVE SCHOOL MEETING
October 29, 1992

Haverhill Cooperative Middle School
North Haverhill, NH

School Board Members in attendance were:

Wayne Fortier	Everett Sawyer
Ray Aremburg	Jeff Stimson
Jack Brill	Pat Buchanan

Moderator Karl T. Bruckner called the meeting to order at 7:30 PM.

ARTICLE I: To see if the District will vote to approve the cost items of the factfinder's report relative to teacher salaries for the 1992-93 school year and to raise and appropriate, in addition to the general appropriation made at the 1992 annual school district meeting, sufficient monies to fund all cost items relative to teacher salaries and fringe benefits for the 1992-93 school year which are contained in the factfinder's report and which represent the factfinder's recommended increase in cost items over the 1991-92 teacher salaries and fringe benefits.

Regis Roy moved that the District vote to approve the cost items of the factfinder's report relative to teacher salaries for the 1992-93 school year and to raise and appropriate \$48,072.00, in addition to the general appropriation made at the 1992 annual school district meeting, to fund all cost items relative to teacher salaries and fringe benefits for the 1992-93 school year which are contained in the factfinder's report and which represent the factfinder's recommended increase in cost items over the 1991-92 teacher salaries and

fringe benefits. Linda Blake seconded the motion.

Discussion on the Article followed with Wayne Fortier explaining that step increases were being paid to the teachers as this was passed at the Annual School District held last March. The public would be voting to raise \$41,950.00 for regular instruction which would be an increase of 5% on all the steps of the salary schedule, a BA+15 Column be added and teachers receive credit for MA+60. In addition, \$6,122.00 be raised for extra curricular activities.

Wayne Fortier also informed the public that the School Board had rejected the factfinder's report due to the economic situation.

Discussion for and against the article continued. Dr. McDonald explained the negotiation process. He informed the voters that if the article passed, negotiations would be completed for the 1992-93 school year, but that if the article failed, the school board would be required by law to return to the bargaining tables and continue negotiations.

James Frezza moved to amend the motion to only fund \$6,122.00 for the extra curricular activities. George Cook seconded the motion.

Dr. McDonald explained that if this motion passes, the Teacher's Association and the School Board would have to go back to negotiations concerning salaries, although extra curricular salaries would be resolved. Following more discussion, James Frezza and George Cook withdrew their motion.

Mike Ackerman then moved to proceed with voting. Julius Tueckhardt seconded the motion.

Moderator Bruckner informed the public that he had been presented with a petition requesting a paper ballot vote.

After inspection of the ballot box, the ballot vote was taken and counted by John Farnham, Peggy Horne, Victor Smith and Emma Cardin. The results were: 66 yes votes, 135 no votes

The Article did not pass.

ARTICLE II: To transact any other business that may legally come before this meeting.

Jim Gaylord moved to adjourn the meeting. Dr. McDonald seconded the motion. Motion carried by voice vote.

The meeting was adjourned to 9:05 PM.

Respectfully submitted,

Lynda Fredenberg, Clerk
Haverhill Cooperative School District

HAVERHILL COOPERATIVE SCHOOL DISTRICT
SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Haverhill
Cooperative School District qualified to vote
in district affairs:

You are hereby notified to meet at the
Haverhill Cooperative Middle School Gymnasium,
North Haverhill, New Hampshire on the 18th day
of March, 1993, polls to be open for the
election of District Officers at 10:00 o'clock
in the forenoon and to close not earlier than
7:00 o'clock in the afternoon. Action on all
remaining articles to commence at 7:30 o'clock
in the afternoon.

ARTICLE 1: To choose, by non-partisan
ballot, a Moderator for the ensuing
year.

ARTICLE 2: To choose by non-partisan
ballot, two members of the school
board, one member at large for a term
of one year; and one member at large
for a term of three years.

ARTICLE 3: To hear the reports of Agents,
Auditors, Committees or officers
chosen, and pass any vote relating
thereto.

ARTICLE 4: To see if the district will vote
to allocate to the Capital Reserve
fund an amount equal to 50% of the
unencumbered balance for the fiscal
year 1991-92 not to exceed the sum of
twenty-five thousand dollars.

ARTICLE 5: To see what sum of money the
district will raise and appropriate
as a supplemental appropriation for
fiscal year 92-93, to fund all cost
items relative to teachers' salaries
and fringe benefits for the 1992-93
school year, which are the result of
the collective bargaining agreement
agreed to between the Haverhill
Cooperative School Board and the
Haverhill Cooperative Teachers
Association/NEA-NH and which
represents the negotiated increase
over the 1991-92 salaries and fringe
benefits.

ARTICLE 6: To see what sum of money the
district will raise and appropriate
to fund all cost items relative to
teachers' salaries and fringe
benefits for the 1993-94 school year,
which are the result of a collective
bargaining agreement agreed to between
the Haverhill Cooperative School Board
and the Haverhill Cooperative Teachers
Association/NEA-NH and which
represents the negotiated increase
over the 1992-93 salaries and fringe
benefits.

ARTICLE 7: To see if the District will raise
and appropriate the sum of \$9,903.00
to provide a part-time art program at
Woodsville Elementary School. (By
Petition)

ARTICLE 8: To see what sum of money the
District will raise and appropriate
for the support of schools, for the
salaries of school district officials
and agents, and for the payment of

statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

ARTICLE 9: To see if the town will vote for a mandatory 1% ceiling in budgetary requests by the Haverhill Cooperative School District over the previous year's budget for two years. Further it will be required that "level spending" be maintained each year thereafter. With no requests for increased spending to be more than one percent over the previous year and that being subject to approval by the electorate in attendance at the next annual school district meeting. No emergency spending of capital may be made outside the budget without the approval of the electorate in attendance at special school district meeting to be held and notification given in accordance with present legal requirements. If a rejection of the proposal is given, the requested increase may not be brought again before the electorate until the next annual school district meeting in March of the following year. (By Petition)

ARTICLE 10: To see if the town will vote to authorize that all matters pertaining to appropriations for the Haverhill Cooperative School District be voted on by an "Official Ballot" beginning with the 1994 budget after pending legislation results in an RSA after it is signed into law by the Governor of the State of New Hampshire. (The aforementioned "official ballot is sometimes called an "Australian ballot" which is used for purposes of secrecy.) (By Petition)

ARTICLE 11: To transact any other business that may legally come before said meeting.

Given under our hands this 24 day of February 1993.

REPORT OF THE SUPERINTENDENT OF SCHOOLS
OF SCHOOLS

To the School Board and citizens of Haverhill,
I submit my sixth annual report.

Since July 1, 1987 school boards and administrators within School Administrative Unit #23 identified fifteen key long range goals. This past summer the SAU published a report that summarized the progress that has been made toward each goal. The report covered topics such as the:

1. Formation of SAU-wide curriculum committees to develop and revise K-12 curriculum.
2. Formation of the Curriculum Advisory Council consisting of teachers, administrators and school board members to oversee the systematic approach to curriculum development, revision and evaluation.
3. Passage of the bond issues that resulted in the construction of the Lin-Wood Elementary School and the Haverhill Cooperative Middle School; renovations and addition to Woodsville Elementary School, Woodsville High School, Bath Village School, Monroe Consolidated School, Piermont Village School and Warren Village School; and renovations to Lin-Wood Middle/High School.
4. Formation of a staff development program that focused on collaborative decision-making; curriculum improvement and instruction; middle school education; inclusion of special needs students in the

regular classroom; alternative student assessment models; elementary science and math instruction; and computer technology.

5. Introduction of a long range planning process. School boards have met to develop short and long range goals and objectives.
6. The revision of the professional staff evaluation process to emphasize the improvement of instruction and the development of an evaluation process for all administrative and support staff.
7. Development of SAU cooperative programs and committees in such areas as policy development; gifted and talented education; student assessment; staff development; technology; drug and alcohol and health education; and special education services.
8. Increased involvement of community members in areas such as building committees, goal setting, principal selection committees, and school advisory committees.

Copies of the report School Administrative Unit #23 Five Year Progress Report, 1987-1992; will be available at each annual school district meeting or may be obtained at the School Administrative Unit Office in Woodsville or Lincoln.

A lot of exciting things have happened in the Haverhill Cooperative School District this year. In August the new Haverhill Cooperative Middle School opened and the new facility is a wonderful addition to the school system. The timely opening of the school could not have

happened without the many volunteers who helped move furniture, supplies and equipment from Haverhill Academy and James R. Morrill and organize them in the new building. Special thanks to Upper Valley Transportation for the loan of two tractor trailer trucks during the move.

Woodsville High School underwent an accreditation visit by the New England Association of Schools and Colleges. The fall report cited the school ". . . as a wonderful, small American high school depicting many of the characteristics identified in research as advantages of small high schools." The report also lists specific commendations in each program area and recommendation that would help the school improve. The report also complemented the community for its support of the school building project. Copies of the full report have been sent to all public libraries in Haverhill. Other activities and initiatives are highlighted in the reports of Principals Labs, Fagnant and Weisburger and Assistant Superintendent Nelson.

Two individuals have received special recognition this year. Mrs. Margaret Kleinfelder, a first grade teacher at Woodsville Elementary School was awarded the Presidential Award for excellence in Science Teaching. Mrs. Kleinfelder was honored at a reception by Governor Judd Gregg and will also be recognized in a ceremony held in Washington, DC this spring. Wayne Fortier, chairperson of the Haverhill Cooperative School Board was recently elected as the second vice president of the New Hampshire School Board Association. Mr. Fortier also continues to serve on the New Hampshire School Board Executive Board.

In closing I would like to welcome Linda Nelson our new Assistant Superintendent of Schools. She replaces James Gaylord who left us in August to become Superintendent of Schools in Whitefield, NH. Ms. Nelson will be working primarily in the Bath, Monroe, and Haverhill School Districts. I would also like to thank the school board, administration, faculty, staff and citizens of Haverhill for your support. It continues to be a pleasure to work in the community.

Respectfully submitted,

Douglas B. McDonald, Ed.D.

Report of the Assistant Superintendent

To the School Board and citizens of Haverhill Cooperative School District, I respectfully submit my first annual report.

As a new resident of the area, I would like to express my gratitude for the kindness, generosity and patience of the residents of Haverhill who have welcomed me into the community and the schools and helped to educate me about life in the North Country. The experience has been delightful.

My first three months have introduced me to the routines and special concerns in each of the schools and to New Hampshire's school budgeting process - a compelling, if somewhat heart-wrenching, experience. Haverhill's strong commitment to children and youth is evident in the new middle school as well as in the substantial improvements in the elementary and high school facilities. The high level of professionalism among Haverhill's principals, faculty and staff is another measure of the community's desire for excellence for its students.

Three special school district projects on which I have worked exemplify the positive community-school relationships so evident in Haverhill. In December, the Haverhill Cooperative School Board convened a diverse group of school constituents to review the district's mission and goals and set new priorities for the coming year. The group included: school board members and parents from Haverhill plus board and parent representatives from districts

which send students to our schools, teacher and support staff representatives, all principals, SAU administrators, and representatives of the newly formed Haverhill Economic Coordinating Council.

The group identified two priorities for the district. The short term goal is: To improve communication throughout Haverhill Cooperative School District

- * among students, teachers, parents, administrators, support staff and the communities served by the schools

- * about academic and behavioral expectations, educational priorities, and school successes

- * in order to increase public awareness of and appreciation for the quality of our schools.

The long term goal is: To improve the quality of instruction throughout Haverhill Cooperative School District

- * to ensure that all students receive an academically challenging education, and

- * to ensure that all students learn in school settings that are socially and emotionally enriching.

Participants in the goal setting process also identified specific actions that could be taken by each role group represented at the meeting to help implement the goals. This information is now under review by Haverhill Cooperative School Board. The board will reconvene participants to discuss plans for implementing the new district priorities.

The goal setting process, which provided a voice for all representatives of the school community, reflects the school board's interest in ensuring the broadest

possible public participation in shaping direction for education in Haverhill and in developing a base of understanding and support for our schools. I look forward to working with the school board, administrators, teachers and support staff over the next year as we develop strategies to improve communication and the quality of instruction in each school.

A second project, which has resulted in the successful installation of an IBM computer laboratory in Woodsville High School, is also a result of school-community collaboration -- in this case, between the school board and the Haverhill Economic Coordinating Committee. The IBM project was initiated by staff at Woodsville High School, Assistant Superintendent Keith Pfeifer, and school board member Jeff Stimson in response to a special IBM offer tailored to school business education programs. This group successfully negotiated with IBM to secure the latest, state-of-the-art hardware and software for the high school.

The Haverhill Economic Coordinating Council joined Woodsville High School and SAU administrators to develop a plan to help offset the cost of the computers, making installation of the laboratory affordable. This group formed the Upper Valley School-Business Partnership, a joint venture by the school district and business community to provide computer software training courses in the IBM laboratory for employees of local businesses. Fees from courses in WordPerfect 5.1, Lotus, and other software applications will help pay for the laboratory and generate income to support and

expand adult training programs at Woodsville High School.

The advice and support of the Haverhill Economic Coordinating Council in establishing the School-Business Partnership and publicizing the IBM courses has been invaluable to the school district.

A third, related project has been the establishment of a Higher Education Advisory Board at Haverhill (working title). This board consists of six founding organizations committed to providing quality higher education opportunities for adults in the Upper Connecticut Valley region to stimulate economic development in the region. Members include the Haverhill Cooperative School District, the Haverhill Economic Coordinating Council, SAU #23, Berlin Technical College, the School for LifeLong Learning, and Cottage Hospital. Other organizations may be added to this board over time.

The Advisory Board will coordinate all aspects of adult education and training in the Haverhill region, including both credit and non-credit courses. In particular, the Advisory Board will:

- * help to plan and coordinate proposed course offerings by Berlin Technical College and School for LifeLong Learning (and other potential providers),

- * support the work of Doug Teschner, Wayne King, Paul LaMott, Richard Trelfa and others to secure state support for the higher education-economic development initiative through legislation,

- * seek private sector funding to assist in the purchase of additional computers and software

needed to launch an adult computer instruction course at Woodsville High School, and

* help to identify appropriate staffing and office space to carry out the work of the Advisory Board on an on-going basis.

I have been especially fortunate to have worked on these three projects during my first months in the community. I have found the experiences challenging and rewarding, making it very easy to respond to friends from afar who have asked how I like the North Country: I'm convinced this is a wonderful place to live and work.

Respectfully submitted,

Linda J. Nelson

SCHOOL ADMINISTRATIVE UNIT #23
REPORT OF SUPERINTENDENT'S AND
ASSISTANT SUPERINTENDENTS' SALARIES

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the Superintendent and Assistant Superintendents.

One-half of the School Administrative Unit expenses is prorated among the several school districts of the Unit on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of S.A.U. #23 during the 1992-93 school year will receive a salary of \$69,260.00 prorated among the several school districts. The Assistant Superintendents will receive salaries of \$55,700.00 and \$51,700.00 prorated among the several school districts.

The table below shows the proration of salaries to each school district:

REPORT OF THE
ASSISTANT SUPERINTENDENT OF SCHOOLS

This is my fourth and last report as Assistant Superintendent of Schools. This is also the hardest to write.

As you know, I have accepted the position of Superintendent of Schools for the White Mountain Regional School District. Although my family and I continue to live in Haverhill, I am no longer working with and for the citizens of Haverhill and of the SAU #23 District.

I have had the pleasure of working here for three years. During that time, tremendous strides have been taken for the safety and educational betterment of the students of Haverhill. Your school facilities should be a source of tremendous pride. Having had the opportunity to work with two citizens committees, administrators, staff and students on the renovation and construction projects, I have seen dedication, compromise, frugality and a sense of community involvement that resulted in what now stands.

In the same vein, many others have labored with the development of an all new written curriculum. My job was to help implement these curriculums through the purchase of books and materials. The students of Haverhill are now guided by educational blueprints rather than by diverse texts and programs.

Many thanks should be given to the members of other committees that now function: to the Budget Committee for its long hours on a task that often brings more controversy than satisfaction; to the Public Relations Committee that is trying to develop a positive method of relating what the schools are doing; to the Citizens Committees dealing with Haverhill Academy and James R. Morrill Elementary. All of these people prove that public education is truly public.

As my class motto of thirty years ago stated: "This is not the beginning of the end, but the end of the beginning." I look forward to working, as a citizen of the community of Haverhill, with all of you on that beginning.

Respectfully submitted,

James Gaylord
Assistant Superintendent

To the School Board and voters of the Haverhill Cooperative School District, I submit my 5th annual report.

During the 91-92 school year, Haverhill Cooperative provided special education to 126 students: 9 pre-school, 78 elementary and 48 secondary.

Haverhill provides special education to pre-school children beginning at age three in compliance with state law. Pre-school screenings were offered to all residents of SAU 23 districts at four locations in conjunction with SAU 23 Project Saturday. A fifth pre-school screening was offered for Haverhill residents only in June, 1992.

Participation with the Haverhill Day Care Association for the last two years culminated in the opening of the Haverhill Child Care Center in Woodsville. The Center provides a placement option for pre-school children with special needs. A special education teacher coordinates their program to address the goals of their individual education plan (IEP) and support services such as speech therapy are provided at the center.

SAU 23 has worked at developing improved interagency collaboration. Jay Apicelli, SAU 23 consultant for children with emotional disabilities, organized monthly meetings of SAU 23 personnel and representatives of outside agencies which included Division for Children and Youth Services, Family Mediation Program, Haverhill Police Department, Family Strength, Center for New Beginnings, White Mountain Mental Health, and Head Start. These meetings promoted positive working relationships with outside agencies, a better understanding of services other agencies can and cannot provide, and services for children and their families.

The Individuals with Disabilities Education Act (IDEA) requires that special needs students from 16-21 years have a transition component in their IEP. The purpose is to assist students and their families in making plans for adult life. An application was submitted to the UNH Institute on Disability, Transition Initiative Project, for technical assistance in developing a transition program at Woodsville and Linwood High School.

The Special Needs Office offered training sessions and workshops to teachers and paraprofessionals on the following topics: Attention Deficit Disorder, Grief and Loss, Juvenile Justice System, Fetal Alcohol Syndrome, Cooperative Learning, Learning Disabilities and Cooperative Discipline. A six-week series, "Active Parenting", was offered to parents and a parent support group was offered at Woodsville Elementary School.

Goals for the 92-93 school year include preparation for the Special Education On-Site Evaluation conducted by the New Hampshire Department of Education, formation of a Community Planning Team to develop procedures for transition of students from high school to adult life, assistance to eligible families in applying for Medicaid, and provision of training in special education topics for staff and parents.

Respectfully Submitted,

Phyllis McKenna

The 1991-92 school year will be remembered by many of us as a particularly rewarding and successful school year, led by a very small senior class in numbers (48), but a senior class that was made up of many talented individuals. We believe that this year, as in years before, the student body has realized successes in the area of academics, in leadership activities, and in athletics. The faculty and staff are to be recognized for their caring and hard work with our students.

We are continuing to work on preparing the self evaluation process for the New England Association of Schools and Colleges. This is a ten year cycle of evaluation and the result of it will outline our areas of commendation and recommendations for the future. We have worked on preparations for the on-site visit in September of 1992, and we are confident that we will receive some very positive remarks and some direction for the future.

The entire SAU continues to work on curriculum with work completed or nearing completion in Science, Math, English, Technology Education, Health, and Music, and work beginning in Foreign Language, Art, Social Studies, Physical Education, Computer Science, Home Economics and Business Education next year. This work, combined with the New England Association work going on is very taxing, but will be a huge accomplishment when it is completed in 1993-94.

Staff changes at Woodsville High School in the fall of 1992 were few. I am sorry to say that George Cobb, department head of the Science Department and a teacher here for seventeen years, left us to work in Monroe, his home town. We thank George for the years of service he has given to the students here at Woodsville, and I am sure he will be very successful in Monroe. Thank you, George, for your hard work and devotion. I am happy to report that Mrs. Beverly Colby was hired to replace Mr. Cobb. Beverly previously taught at the White Mountain School.

We have hired two Special Education aides, Charles Ottina and Barbara Ingerson, because of additional Special Education students here at the high school.

With the results of the Citizens For Scholarships fund drive we were able to raise over \$7,000.00 this year and awarded \$2,500.00 in scholarships to members of our senior class. We would like once again to thank Carol and Chip Harris for their support and donations to this fund.

There are many people who have contributed to the successes we have achieved this year. Without their generous support our job would be nearly impossible. I would like to thank Walter and Carole Young for their generosity in providing scholarship support for our seniors and previous graduates.

To the Woodsville Area Booster Club for their generous contributions in both time and money, toward both academic and extracurricular activities.

I would like to thank Superintendent Dr. Douglas B. McDonald, Assistants Mr. James Gaylord and Dr. Keith Pfeifer, and all of the members of the Haverhill Cooperative School Board for their support.

Once again, I wish to recognize the teachers, coaches and support staff for their hard work and dedication during the past year. This community is very fortunate to have such a hardworking and professional staff. It is obvious that our successes are most directly related to the staff's efforts.

We will continue to strive for a stronger academic program as well as to stress spirit, hard work and discipline to our students. I look forward with enthusiasm to the job that lies ahead.

Respectfully submitted,

Bruce C. Labs, Principal

Haverhill Cooperative School District
Woodsville Elementary School
Principal's Report for 1992-1993

It has been said that a good school is one that is getting better. That is definitely the case for Woodsville Elementary School.

There have been continued improvements to the physical plant in order to make it more attractive and comfortable. Last spring, lovely flower gardens were constructed on each side of the front entrance. This project was designed by Mrs. Edith Shapiro, who also organized a host of volunteers who gave labor, plants, and materials. Inside the building, the asbestos bearing tile was removed from the gym, and a new floor was installed. The walls were also painted. Recently, all fluorescent lights in the original classrooms were replaced with new, more efficient energy saving fixtures.

Curriculum development is an on-going activity. Each teacher is assigned to one or more of the different curriculum committees and acts as building representative in developing written curriculum for SAU #23. Math and science curriculum guides are in use by each teacher. A draft of the music curriculum is now available, and language arts is in progress.

During the next school year, we will be conducting a self study of this school as the first phase of the accreditation process with the New England Association of Schools and Colleges. This is a very demanding task for the staff, but it is also very rewarding because it brings everyone into focus on

strengths and weaknesses of our school programs and community.

The most exciting news concerns Mrs. Margo Kleinfelder, "Mrs. K," one of our first grade teachers. Mrs. Kleinfelder is one of a very select group of teachers throughout the United States to receive a Presidential Award for Excellence in Science and Mathematics Teaching. She and her husband are invited to spend the week of April 27, 1993, as guests of the President in Washington, where she will participate in a series of events which recognize the importance of her teaching contributions and reaffirm the importance of science and mathematics in America's schools. Mrs. Kleinfelder was one of three state awardees from New Hampshire to be selected for the national competition.

As a result of her award, Mrs. Kleinfelder will oversee the use of a \$7,500 grant from the National Science Foundation. It is also hoped that businesses and foundations in the North Country will become aware of the quality of learning which takes place at our school and will be forthcoming with funds and resources to help further the programs that the grant initiates.

The staff and students spend a lot of time talking, studying, and doing things to make our environment better for their future. The recycling of aluminum cans is very apparent because of the cage located in front of the school. It is very functional and needs to be there to attract contributors. The revenue from selling the aluminum is divided among the schools and is used for environmental studies. Woodsville Elementary School used the money for field trips to places such as Odiorne State Park, Fairbanks

Museum, Montshire Museum, Squam Lakes Science Center, and the Rocks Estate in Bethlehem. We are also exploring the recycling of plastics, tin cans, and paper as conservation and fund raising, as well as learning, activities.

Mrs. Donna Gaylord, who is also the nurse at Woodsville Elementary School, has organized a third grade team of ODYSSEY OF THE MIND, and Mrs. Hilary Bumgarner is recruiting a primary team of students to work on projects to take to regional competitions meeting in the spring. O.M. is an opportunity for children to share and pool creative talents in problem solving activities.

We do not have an art teacher for a formal art program in this school. However, we do have occasional projects presented by volunteers or by the P.T.A. Last spring, the third grade, under the guidance of Emile Birch, a noted New Hampshire sculptor, created a beautiful sculpture which is located in the entrance of the school. This glazed clay sculpture portrays the geography, history, and natural resources of the town of Haverhill. Mrs. Katherine Blaisdell showed slides and talked with the children about the history of the town, and The Haverhill Historical Society loaned materials to provide a background for developing this piece of artwork. This project was funded by the PTA and a special grant from the New Hampshire Council on the Arts.

Reading Recovery is in its second year of serving students, with excellent results. The intensity of instruction has helped identified "at risk" first grade students to become confident, successful readers who would otherwise have required remedial services. Special education services at this

school have been visited by school personnel from other districts to see how handicapped students are served as regular students. The successful delivery of these services has come about as a result of staff training, staff motivation, and team work which allows everyone to achieve to his/her potential.

"In April 1991, the President announced AMERICA 2000, an education strategy designed to move all communities in America toward realization of the six national education goals. The goals represent an agreement between the President and the Nation's governors that sets national priorities for the nineties. The U.S. Department of Education has the principal Federal responsibility for the successful implementation of the national goals, and has made goal one, the cornerstone of the six goals, a top priority. The first goal states the following:

By the year 2000, all children in America will start school ready to learn.

- All disadvantaged and disabled children will have access to high quality and developmentally appropriate preschool programs that help prepare children for school.
- Every parent in America will be a child's first teacher and devote time each day helping his or her preschool child learn; parents will have access to the training and support they need.
- Children will receive the nutrition and health care needed to arrive at school with healthy minds and bodies, and the number

of low birthweight babies will be significantly reduced through enhanced prenatal health systems."

The New Hampshire Department of Education has addressed this first goal by holding training meetings and getting people from all levels of school management to think and start action on the state plan called "Success by Six." This goal is important to all children entering school for the first time. SAU #23 has established a Task Force which has been meeting since April 1992 to explore ways of achieving this goal. We at Woodsville Elementary School have a special interest in assisting with meeting this goal through the establishment of a preschool program that would be available to all 3-5 year olds. The program would be designed to serve special needs of the children and also to provide parent training and guidance that would assure success for every child.

In closing, I wish to say thank you to everyone for the continued support of your school. It is the continued team spirit of board members, administration, staff, parents, and community members working together that will provide the best possible educational experience for our citizens of the future.

I invite you to visit your school.

Respectfully submitted,

Richard A. Fagnant

Haverhill Cooperative School District
Haverhill Cooperative Middle School
Principal's Report for 1992-1993

The new Haverhill Cooperative Middle School opened its doors on August 26, 1992. You should be proud of the beautiful building you have built for your sons and daughters. It is a very comfortable environment, which is kept shiny by our custodians. The center octagon is the major thoroughfare of the school. Our 330 students and 50 staff members flow through it daily.

Schools bring with them mascots and school colors. Ours is no exception. We are known as the Haverhill Hawks and our colors are black and red. Student artists from Woodsville High School painted a stunning hawk on one of the walls in the gymnasium.

The middle school welcomed many new staff members this year. Mrs. Robin Burns-Henry coordinates our Chapter I program. Mr. Kenneth Poirier teaches both Art and Technology Education. Mrs. Susan Lornitzo is a half-time Math and Science teacher. Mrs. Karolee Henson is a classroom aide in the fourth grade. Mrs. Margaret Duffy is an aide in the Chapter I program. Mrs. Cindy Smart works half-time in the kitchen and Mr. Chet Page is an evening custodian.

All students in the middle school have classes in computer, physical education, Art, health, technology education, and home economics. Each class is taught with age appropriate skills in mind. The schedule was constructed to provide the greatest number of students with the most learning opportunities possible.

Teachers are working in teams to provide our students with an interdisciplinary educational program. Students work on projects that overlap different subject areas. One team of seventh grade students worked on a very successful business project which incorporated Mathematics, English, Social Studies, and Home Economics.

The staff of the middle school continues to be involved in the development of curriculums. Math and Science are currently being used and Language Arts, Technology, and Music are heading towards completion. It is a valuable process which will enhance our schools in the future.

The middle school music program is thriving. The chorus has over 100 members and the 6th., 7th., and 8th. grade bands have more than 50 instrumentalists. If you have not had an opportunity to see the band or chorus perform, do make a point of getting out to see them perform. It is a real treat.

Many people have contributed their valuable time and effort this year to help make the Haverhill Cooperative Middle School a reality. From working on committees to helping with the move to the new site, the community has been very generous with its support.

I would like to thank Superintendent Dr. Douglas McDonald, Assistant Superintendents Dr. Keith Pfeifer and Ms. Linda Nelson, and all the members of the Haverhill Cooperative School District Board for their support.

In closing, I would like to thank the faculty,

students, and parents of the Haverhill Cooperative
Middle School for striving towards excellence.

The 1991-1992 school year began with the school health services shared by two-part time nurses. As the student population increases in our school district, the number of medical issues increases respectively. There has been an increase in the severity of these medical issues with only part-time nurses to cover each school building.

With this increasing enrollment and medical liability more hours are definitely needed to complete the required screenings and documentation that is mandated by the State of New Hampshire.

The annual immunization survey, required by the State of New Hampshire, was completed in November. Most new students were up to date. Those who did not meet the state's minimum requirements were brought up to date by their family physician or at the local well child care clinic, or school clinic.

On October 2, 1991 the NH Dept. of Public Health held their annual preschool vision and hearing program at Woodsville Elementary School. Sixty children participated in the program. There were 9 referrals made for vision and/or hearing failures. A special thank you is extended to the high school students who help with this program every year. A special thank you is also extended to the Lions Club for their financial sponsorship.

All hearing and vision screenings were completed. Students who fail these screenings initially are retested before a referral is made. Throughout the year the Lions Club assisted in obtaining eye examinations and glasses for students in financial need. Again we wish to thank the Lions Club for their continued support.

All heights and weights were completed. Scalp inspections for pediculosis were completed at the appropriate times.

Screening physicals were completed in grade four. This examination includes a urinalysis, hemoglobin and blood pressure evaluation.

Scoliosis screening was conducted in grades five and six. This examination is done to detect curvature of the spine. Any defects noted were referred to the parents for follow-up with their family physicians.

In October inservices were given to the faculty and staff members on seizures, anaphylaxis, and head injuries.

During the month of November an informative presentation on Aids was presented by Shaun Donahue (SAU Health Care Coordinator) and myself to students in grades 4-6. There was a question and answer period following this presentation.

In January and February a presentation on dental health was presented to the kindergarten class at Woodsville Elementary. This presentation included a film on dental care and nutrition, followed by a discussion on health care.

During the month of March kindergarten students participated in "Teddy Bear Physical Day." This program gives children the opportunity to understand and alleviate fears that might arise when they seek medical attention from the school nurse or their own family physician.

Also during the month of March a presentation on the physical, emotional, and social changes of an adolescent was presented to students in grade 6 by Shaun Donahue and myself.

In March, Shaun Donahue and myself presented a program on Aids for those students in grades 7-8 at Haverhill Academy Junior High. Again this program was followed by a question and answer period.

In April an immunization clinic was held at Woodsville and James R. Morrill Elementary. These clinics adequately immunize any student in the schools who need to comply with New Hampshire's minimum standards. These clinics are set up through the State of New Hampshire in Concord along with the schools, and are at no cost to the student to receive these vaccines.

In the spring the clinic was held at Dr. Phillip and Dr. Robert Munson's office in Bradford, Vermont. Twenty-nine elementary students participated in this clinic. Monies for the clinic came from money raised at the school district meeting along with donations from the following organizations: The Haverhill Chapter of the Salvation Army, Woodsville United Methodist Women, and the VFW Auxiliary, Haverhill Memorial Post #5245. The money that was donated was used to cover the

cost at the clinic and the transportation of the students.

During the month of April all of the health records at Woodsville Elementary were audited by the State of New Hampshire Woodsville Elementary was in compliance for every student who had immunizations on record.

During the month of may a film on menstruation was shown to grades 4 and 5 at Morrill Elementary. Information on female growth and development was presented to the girls at this time and a question and answer session followed.

Kindergarten registration was held at Woodsville Elementary School in May. Parents were made aware of immunization requirements and the need for a physical examination before their child entered school in the fall. vision and hearing screenings were done during registration.

During the school year several workshops and conferences were attended:

8/7/91: Feed Your Mind-Feed Your Body Workshop, State of New Hampshire Dept. of Education of Food and Nutrition Services Workshop, Bow, NH.

8/20/91: Physical Assessment of The School-Aged Child. Saint Anselm's College, School Nurse Institute.

8/21/91: Legal Issues For School Nurses. Saint Anselm's College, School Nurse Institute.

9/4/90-12/13/91: Fundamentals of mathematics. A four credit college course through the School For Lifelong Learning in Littleton, NH.

10/24 & 10/25/91: HLAY 2000 Trainer Workshop held in Whitefield, NH.

11/25/92: School Nurse Meeting held at Woodsville High School.

2/13/92: Health Education Committee Meeting at Woodsville Elementary School.

3/13 & 3/14/92: Emergency Care Training for School Nurses at Campton, NH. Sponsored by NHSNA.

3/21/92: Project Saturday held at Woodsville Elementary School. There were blood pressure screenings offered along with health care information.

3/5/92-6/11/92: Stress and It's Impact On The Family. A four credit college course through the School For Lifelong Learning in Littleton, NH.

4/8/92: School Nurse Meeting was held at Woodsville High School.

5/21/92: School Nurse Meeting was held at Lin-Wood Public School.

In closing I wish to thank the administration, faculty, staff, students, and parents for your continued support and cooperation throughout the school year.
